LIVESTOCK GATE

The Livestock Gate will be closed to all traffic, foot and vehicle, from 9 am until 5 pm daily. Exhibitors should use the main entrance during these times. Please use caution when passing the horse show area.

LIVESTOCK ARRIVAL TIMES

The State Vet will be on the fairgrounds on Sunday from noon to 4:00 pm and on Monday from 9:00 am to 7:00 pm ONLY. All livestock MUST ARRIVE on the fairgrounds during these hours. Animals arriving outside of these hours will be IMMEDIATELY SENT HOME. No animals are to be unloaded until checked by the State Vet. These requirements will be strictly enforced. PLEASE NOTE: 1) Any cows calving on the fairgrounds will be made to leave 2) All health charts must be written AFTER MAY 1 in order to be allowed at the Otsego County Fair 3) Piglets that are
nursing do not have to be tagged—they ONLY have to be on the health chart and 4) Calves have to be 3 months old to get their rabies shot.

Otsego County Fair Association, Inc.
RULES AND REGUALTIONS
(Rules subject to change without prior notice)
All rules and regulations published in this book are made a part of the conditions under which all entries are accepted, or exhibit space of concessions licenses are granted.
The Otsego County Fair Association, Inc. management reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connection with, or incidental to the Fair.
The management reserves the right to amend or add to these rules and regulations as in its judgment may be deemed advisable.
Any person who violates any of the following general rules and regulations or any special rule or rules shall forfeit all privileges and premiums and be subject to such penalty as the management may order.

Make entries to: Otsego County Fair Association, Entry Clerk, PO Box 469, Morris, NY 13808.  Phone 607-263-5289.

1. Time for Making Entries. Entries may be made by mail or personally at any time after this list is received. Exhibitors are required to make themselves acquainted with the premium book and regulations so as to make certain in which sections and departments their entries belong as well as period of exhibit. Exhibitors must use separate blanks for entries in each department.

2. Place for Making Entries. Entries may be made by mail or in person at the Office of the Entry Clerk, Fairgrounds, Morris, NY. Checks should be made payable to the Otsego County Fair Association, Inc. Tags will be held at the Entry Clerk’s Office, where they may be called for.

3. Closing of Entries. Entries cannot be made after the closing date specified for each department on the Entry Clerk’s calendar.

4. All exhibits must be entered in the name of a bona fide owner, such ownership to have existed at least 30 days previous to the time of the showing, unless exhibited by the original producer or fabricator of the article exhibited and proof of ownership must be presented by the exhibitor on request of the Fair Association. No judges or superintendents shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.

5. Examination of Entry Cards. Exhibitors are requested to examine their entry cards at the time of making entries so that if any mistakes have been made, they can be corrected. No person can make any change or withdraw any article entered for competition or exhibition after having once entered it. THIS RULE WILL BE RIGIDLY ENFORCED IN ALL DEPARTMENTS. THERE WILL BE NO REFUND ON ENTRY FEES.

6. Display of Entry Tags and Ribbons. An entry tag must be attached to each exhibit in Floral Hall and the Antique Departments. This tag will be furnished by the Entry Clerk, after entries have been made. All entry tags and ribbons must be displayed during the exhibition. No consideration will be given by judges to any article to which
the entry tag is not attached. The judges will not award a premium to any animal or article which has not been properly entered.

7. **Entries Limited to Capacity.** All entries will be limited to the capacity of our present buildings, and will be recorded in the order received. The management reserves the right to reject all entries after the capacity has been reached. No animals or article will be entitled to a place on the grounds until a proper entry thereof shall be made.

8. **Competition Defined.** Competition is defined as a contest for supremacy between two or more products, or articles or animals owned by separate exhibitors. Exhibitors having no competition in a class or section will be awarded as judges think deserved unless otherwise noted under Special Department Rules and all premiums shall be awarded subject to the action of the Board of Directors.

9. **Only exhibitors may purchase an exhibitor pass.** Please see Entry Clerk for purchasing Fair passes.

10. **An exhibitor may show as many animals as he has entered in single classes,** but may receive only two premiums per class. All animals shown in group classes must have been shown in their individual classes.

11. **Computation of Ages of All Animals.** The ages of all animals must be given, and satisfactorily verified, if required. Ages of all animals shall be computed from January 1st, to determine in what classes the animals shall be entered. (Except as otherwise noted.)

12. **Display of Exhibits and Animals.** Exhibitors must show their exhibits whenever and in such a manner as required by the executive offices in charge of the department. All animals will be shown in the ring and exhibitors must be ready to bring them out when called, either for judgment or parade. All livestock exhibitors must maintain a clean, attractive exhibit during the entire week. Failure to do entails forfeiture of all prizes.

13. **Placing of Exhibits.** All exhibits must be in place at the proper time, on the opening day of the Fair, except as otherwise noted.

14. **Removal of Exhibits.** No exhibit may be removed from the display until after 8:00 pm Sunday, except livestock: cattle 6:30 pm; sheep and swine 7:30 pm; goats 8:00 pm; horses 8:30 pm with the exception of 4-H auction animals ONLY—see director in charge to remove animal. Exhibitors showing more than one species of livestock must abide by the latest time of release if trucking more than more species at a time. This rule will be rigidly enforced, and it is the purpose of the management to have all exhibits on the closing day equally attractive in every department at any time during the week.

15. **Exhibitors Responsible for Entries.** The Fair Management will not be responsible for the omission if any article or animal not entered strictly in accordance with its rules.

16. **Stalls and Forage for Animals.** Stalls or pens for livestock will be ready for exhibition stock one day prior to Fair opening, until the close of the Fair. No feed or bedding of any description will be furnished to livestock or poultry during the exhibition. There will be a fee of $2.00 per stall and $3.00 per pen.
17. All animals exhibited must be registered in their respective herd books, unless entered in commercials, grade or market classes. Registration name and number must be given at time of entry. All registration certificates must be available for examination by the Department Superintendent at any time.

18. Tickets. Admission to grounds by ticket only.

19. Entry Fees. All exhibitors will be charged an entry fee on each article entered as defined by Department Rules.

20. Liability. Every possible protection

21. Payment of Premiums. Premium checks will be paid to the winners of the various awards as shown on the Judge’s records. Exhibit taken from fair prior to published release time will forfeit premiums. In paying premiums, no evidence of award shall be recognized except the Judges’ book properly signed by the Judges and not from ribbons that may be attached to exhibits. Should stormy weather or unavoidable occurrence interpose the fair to reduce the net receipts below the required premiums, the Management reserves the right to pay premiums on a prorata basis after all expense is paid. Premiums will be paid within 60 days of the close of the Fair. **All checks issued for premiums must be presented for payment within 60 days from the date of issuance. Any check not cashed within the 60 days will be considered a donation to the fair.**

22. Protests. All protests must be in writing, must state plainly the complaint and must be delivered to the Secretary within 6 hours after the cause of the protest, with a deposit of $25.00.

23. Judges. As far as possible the single judge system will rule and great care will be taken to select those who are qualified. No person or persons will be allowed to interfere with the judge in the discharge of their duties. Persons wishing to explain in regard to their exhibits can do so thru the Superintendent of the Department. In case an animal or article has not been entered, the judge must not award a premium or have it entered after entries close. No consideration should be given by the judge to any article to which the entry tag is not attached. When judges have reason to doubt the pedigree of any animal or bird, or the presentation made on any article, they must report at once to the Superintendent of that Department, who will gather such evidence as he can at the Secretary’s office or by other methods. Where exhibits have been erroneously entered, the judges may have the same corrected by an Entry Clerk before they judge the class, but not after. **No additions to or changes in the Judge’s Record shall be made by any person except an Entry Clerk.** The decision of the judges shall be final in all classes.

24. Advertising Restrictions. Under no circumstances will any person or firm be allowed to place any advertising matter upon buildings, trees, or other places on the grounds, nor will they be permitted to distribute advertising matter outside the place assigned to them.

25. Sale of Goods by Exhibitors. Exhibitors will not be allowed to sell goods without permission (though they may receive book orders) nor will they be allowed to call attention to their wares in a noisy or disorderly manner.

26. Soliciting Prohibited. The circulation of subscription lists or soliciting in any manner, for whatsoever purpose, will not be permitted in any building, or on the Fairgrounds other than in regularly authorized concessions, and in these excepted instances only upon the written authorization of the officer in charge.
27. Radios, etc. All sound-producing must be of such nature as not to cause annoyance or inconvenience to visitors or other exhibitors. Permission for used of same must be first obtained from the Board.

28. Exhibitors Erecting Separate Buildings. Exhibitors wishing to erect separate buildings or additional work building should make their requests to the Board. In all cases the exhibitors must bear the expense. Any structure erected and not removed within ten (10) days after the close of the Fair, shall become property of the Otsego County Fair.

29. Electric, Lights and Power. Charges for electricity and wiring shall be made to exhibitors and concessionaires in keeping with schedule on file in the Director’s office which will be furnished upon request. Only electric and gas stoves will be allowed in buildings.

30. Delivery Trucks. No supply trucks or wagon will be admitted to the grounds any day of the Fair after 10:00 am. The Fair Management reserves the right to exclude any and all delivery vehicles, if in their judgment their methods are detrimental to the best interest of the Fair.

31. Parking. Automobiles and all other vehicles must be parked in spaces designated by the Management and not elsewhere. The Management shall not be liable under any circumstances whether of negligence of itself, its agents, or otherwise for any injury to his or her person for any loss or injury to his or her property.

32. Illegal Activities. Any person found practicing an illegal activity will be immediately escorted from the Fairgrounds.

33. The Otsego County Fair will be held in Morris, New York as stated on the front cover, both dates inclusive unless postponed or cancelled as a result of War, Acts of God, Government regulations or any other reason.

34. Failure to abide by any Fair rule or failure to cooperate with any Superintendent or official will result in forfeiture of premiums and exclusion from next year’s show.

35. To ensure the safety of our exhibitors, traffic through the barn gate and around the barns and show ring will be limited. Participants shall limit their vehicular use for delivering feed, etc. to early morning before show times. The barn gate is locked at 10 pm.

General Prohibitions and Requirements
- No person shall bring or have present an animal on the fairgrounds during a fair which is not qualified under NYS regulations.
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to or require removal from the fair premises, or require the segregation of any animal showing signs of or exposed to any infectious, contagious or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.
- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)
- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants, require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock.

New York Origin Livestock:
- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:
- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI’s can be used multiple times for entrance into fairs. The initial entrance into a fair must be within 30 days of the date of CVI inspection. In order for the CVI to be used for a later fair, it must be dated and initialed by a state official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division’s import/export homepage:
http://www.agriculture.ny.gov/AI/import_export.html

**Animal Identification**
- **ALL MANMADE ID MUST BE RECORDED**
  - Cattle, sheep, goats, swine, and deer/elk must be identified by USDA approved official identification.
    - Cattle and deer/elk must be identified by official ear tag.
    - Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
    - Swine must be identified by official ear tag. The only exception is nursing piglets. Nursing piglets do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI.
    - Llamas and alpacas must be identified by official ear tag or microchip.
    - Misc. ruminants must be identified by unique ear tag or microchip.
  - A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars and other markings as necessary to uniquely identify the horse. Tattoos and microchips if any should be included. “Bay, no markings” is not an acceptable description for a CVI or EIA test record.
  - **NOTE:** If you are exhibiting animals identified by microchip a working reader must be supplied by the exhibitor.
  - For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

**Rabies Vaccination**
- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) and that are 4 months of age or older on the date of admission to the fair.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- **NOTE:** Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply.

The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

**Acceptable Proof of Rabies Vaccination**
- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration and the duration of immunity if longer than one year.
If the statement of rabies vaccination is included on an EIA test record, it must be signed separately in addition to the required EIA test record signature.

NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements.

Acceptable proof of vaccination for dogs is a valid vaccination certificate or a copy of the dog license that contains the rabies vaccination information.

BVD-PI Testing
- All cattle, llamas and alpacas exhibited at NY county fairs or the State Fair must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, the identification of the animal and recording the test date on the CVI. If a previous test is not verifiable the test must be repeated.

Cleaning and Disinfection
- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths
- Occasionally animal deaths occur at a fair. If a death occurs it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing
- Due to the concern about the spread of diseases, any cattle, sheep, or goats that are exhibited at a county fair that have recently given birth or have a vaginal discharge, will be ordered removed along with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle
- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry
- Due to the potential spread of influenza viruses it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home
- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals the owner should contact their veterinarian immediately.

Individual Species Requirements
Horses
- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record. The test must have been conducted during the current or previous calendar years for New York origin horses. For imported horses, the test must be conducted within 12 months of entry.
- The EIA test certificate must include a complete description of the horse.
- Rabies vaccination is required for all horses 4 months of age or older (see above).
- A valid GoPass equine passport can be used as an entry document. If interested in the GoPass contact your veterinarian. More information is available at GlobalVetLink : http://www.globalvetlink.com/

Cattle
- Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.
· All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with a product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair.

Sheep
· Certificate of Veterinary Inspection with animals individually identified with USDA approved individual scrapie program identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved flock tattoo and individual animal ID number or 3) electronic ID if the sheep is enrolled in the Scrapie Flock Certification Program.

For information on scrapie ID, contact USDA at 518-858-1424.
· Rabies vaccination is required for all sheep 4 months of age or older (see above).
· The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
· If evidence of soremouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats
· Certificate of Veterinary Inspection with animals individually identified with USDA approved individual scrapie program identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic ID if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic ID is recorded on the goat’s registration paper.

For information on scrapie ID, contact USDA at 518-858-1424.
· The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious or communicable diseases was found.
· If evidence of soremouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine
· Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).

Llamas and Alpacas
· Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).
· All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry
· Poultry (with the exception of doves, pigeons and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.
· Pullorum qualified by 90 day test must be identified by official leg band.
· Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)
· Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).
· Originate from a herd classified as accredited or qualified under USDA tuberculosis regulations.
· A movement permit obtained from the Division of Animal Industry is required for all deer movements. All CWD and TB program requirements must be met before a permit will be issued. Questions regarding movement permits should be directed to the Division of Animal Industry at 518-457-3971.

Miscellaneous Ruminants
· Certificate of Veterinary Inspection with animals properly identified (see Animal Identification section above).

Miscellaneous Ruminants
Exhibitor Prefair Guidelines

Cattle, Sheep, Goats, Swine, Llamas and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species before your veterinarian arrives to inspect your animals. If you have any questions ask.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call early to avoid the last minute rush when mistakes are made and there is no time to correct.
- Make sure official eartags are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats.
- Llamas and alpacas require a microchip or eartag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one.
- **ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.**
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** stuff it in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document and you share responsibility if it is incorrect.
- If you are importing livestock from out of state make sure the interstate requirements are met and you have a valid **interstate certificate of veterinary inspection.**

Poultry

- Schedule pullorum flock inspection and testing well ahead of the fair if your flock is participating in the NPIP program.
- If you’re having your birds tested within 90 days of the fair you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90 day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90 day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

- For NY origin horses, negative EIA test chart must be dated this calendar year or the prior calendar year.
- **Imported** horses must be accompanied by an interstate certificate of veterinary inspection with a negative EIA test within 12 months. Rabies vaccination information can be incorporated into the CVI.
- Drawing or photograph must match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a signed rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

**MOST IMPORTANT**

When you are loading your livestock for the trip to the fair take the time to examine them. Makes sure they are the same animals that are on the paperwork and if they are showing any signs of illness **LEAVE THEM HOME.**

INTERSTATE HEALTH REQUIREMENTS FOR FAIR ANIMALS
This document is a supplement to the Animal Health Requirements (AI-202) published for animals exhibited at New York State county fairs and the State Fair. Its purpose is to summarize the import requirements that must be met for livestock entering New York destined for fairs. Please carefully review the Animal Health Requirements. Note that individual county fairs may require rabies vaccination in species not required by the state. Contact the specific fair for their requirements. Fair contact information is available at www.nyfairs.org. Further assistance can be obtained by contacting the Division of Animal Industry (DAI) at 518-457-3502 or your State Veterinarian’s office. You can also go to the following link on our Dept. website:

http://www.agriculture.ny.gov/AI/import_export.html

CERTIFICATE OF VETERINARY INSPECTION (CVI)
A CVI is required for cattle, horses, swine, sheep, goats, llamas/alpacas, deer/elk and misc. ruminants moving interstate. The one exception would be horses accompanied by a valid GoPass issued by a participating state. Details on the GoPass are available at www.globalvetlink.com and from your veterinarian. Note that interstate CVI’s must be issued by a Category 2 accredited veterinarian. The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season, from July 1 through Labor Day, interstate CVI’s can be used multiple times as long as the initial entrance to a fair in NY is within 30 days of CVI inspection and the CVI is initialed by a NY state official at the fair. All documentation must accompany the animals. Animals not meeting the interstate and/or fair requirements will not be allowed on the grounds. Individual ID is required on all animals. Animals with incomplete or illegible ID will be rejected. Where rabies vaccination is required, the information can be included on the health certificate.

HORSES
Horses 6 months of age or older must test negative for equine infectious anemia. The test must be conducted within 12 months of the day of entry. The horse must be clearly and completely identified. Rabies vaccination is required for all horses 4 months of age and older on date of admission to a fair. Vaccination must be within the past 12 months.

CATTLE
Cattle must be identified by USDA approved official ear tag. Cattle from all states must be test negative for BVD-PI with results and test date noted on the CVI. Cattle from the New England, New Jersey, Ohio and Pennsylvania can enter with CVI with no additional testing for importation required. For information on other states, you can contact DAI at 518-457-3971 or check the Dept. website at www.agriculture.ny.gov/AI/import_export.html. Vaccination for rabies is required for all cattle 4 months of age or older on date of admission to a fair. Vaccination must be January 2017 within the past 12 months. Bovine respiratory disease complex vaccination is also required.

SHEEP
Sheep can enter with CVI only. No tests are required. All sheep must be identified by a USDA approved tag, a legible USDA approved flock tattoo with individual ID, or electronic ID if the sheep is enrolled in the Scrapie Flock Certification Program. The veterinary statement concerning the flock inspection is required. Rabies vaccination is required for all sheep 4 months of age and older on date of admission to a fair. Vaccination must be within the past 12 months unless a 3 year vaccination has been used.

GOATS
Goats can enter with CVI only. No tests are required. The veterinary statement concerning the flock inspection is required. All goats must be identified by a USDA approved tag, legible registration tattoo, a legible USDA approved herd tattoo with individual ID, or electronic ID if enrolled in the Scrapie Flock Certification Program.

SWINE
Swine can enter with CVI only. All swine must be identified by USDA approved official ear tag.

Llamas / Alpacas
New world camelids attending a New York county or state fair must be accompanied by a CVI with animals individually identified by microchip or official ear tag. They must be test negative for BVD-PI with results noted on the CVI.

Deer / Elk (Cervidae)
CWD susceptible cervid species cannot be imported into New York. Non CWD susceptible species require a permit. For information on importing deer contact DAI at 518-457-3502

Poultry
Negative avian influenza and pullorum status is required for all poultry entering NY. Out of state poultry must be accompanied by the NPIP flock certificate if the flock is NPIP certified. Otherwise a CVI is required. Poultry, with the exception of doves, pigeons and waterfowl, must test negative for pullorum within 90 days of importation if not from an NPIP Pullorum-Typhoid Clean Flock. In addition all poultry must be

1) From a source flock in which 30 birds were tested negative for avian influenza within ten days prior to entry into New York State; Or 2) From an NPIP U.S. H5/H7 Avian Influenza Clean or NPIP U.S. Avian Influenza Clean Flock

For more information, contact DAI at 518-457-3971.

IAFE National Code of Show Ring Ethics
Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show. In addition to the "IAFE National Code of Show Ring Ethics," fairs and livestock shows may have rules and regulations which they impose on the local, county, state, provincial and national levels. All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those
younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the respective fairs and livestock shows. Exhibitors who violate this code of ethics deem the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada. The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain free of drugs. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event which culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state and provincial statutes, regulations and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state and provincial statutes, regulations and rules affect the animal's performance or appearance at the event. If the laboratory report on the chemical analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample or urine, saliva, blood, or other substance tested by the approved laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise at any hearing in regard to the matter conducted by the fair or livestock show. At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug or the external application of any substance (irritant, counterirritant, or irritant substance) which could affect the animal's performance or alter its natural contour, confirmation, or appearance, except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices such as striking animals to cause swelling, using electrical contrivance, or other similar practices are not acceptable and are prohibited.

7. Direct criticism or interference with the judge, fair or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event is prohibited. In the furtherance of their official shall be treated with courtesy, cooperation and respect and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have any disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expositions and any special notices to members.

11. The act of entering of an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action which contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

OTSEGO COUNTY FAIR OPEN HORSE SHOW

All exhibitors must read and adhere to the General Rules listed below, NYS Ag and Markets regulations and the IAFE Code of Show Ring Ethics as published in this Fair Book.

General Rules

- The Horse Show Committee reserves the right to combine or split classes if entries warrant and to change the order or the ring in which classes will be run if deemed necessary
- The Horse Show Committee reserves the right to remove any animal from the fairgrounds whose behavior or health is believed to be a danger to itself or to others.
- Entry fees are $6.00 per class for pre-entry, $9.00 per class day of show, Lead Line is $1.
- Pre-Entries must include payment to qualify for pre-entry fee. Do not mail your Rabies/Coggins.
- Pre-entries can be mailed to: Otsego County Fair Association, PO Box 469, Morris, NY, 13808
- No refunds for scratched classes. Exhibitors can add classes no later than 3 classes ahead.
- Prize money will be paid by check and mailed to exhibitor: 1st $15, 2nd $10, 3rd $5 and 4th $3
- Classes with "No Entry Fee" have no payback (Championship, Groom’s Class, Sit A Buck, etc.)
- Classes with fewer than four entries will be paid from the back of the class and up.
- Stallions can only be ridden in open classes and by exhibitors 18 years and older.
- Classes and patterns to be exhibited and judged to AQHA standards, rules and regulations.
- PER NYS LAW, all exhibitors under the age of 18 years must wear a properly fitted and certified ASTM/SEI helmet at all times when mounted, in and out of the show ring. No exceptions will be made. Helmets must be inspected at time of registration.
- Proof of current Rabies vaccination and negative EIA test must be shown at time of registration
- Showmanship, Equitation on the Flat and Horsemanship do not contribute to day end points.

Holstein & Brown Swiss, Milking Shorthorn Show: Thursday at 9:30 a.m.
Guernsey, Ayrshire, Jersey Show: Friday 9:30 a.m.
Milking Cow Classes: Thursday & Friday 1:00 p.m.

All exhibitors must read and adhere to the general rules, New York State Ag & Markets regulations, and the IAFE Code of Show Ring Ethics as published in this publication.

1. Due to the severe penalties imposed by the State of New York Agricultural Department for the contamination of milk by antibiotics, we are forced to abide by the following rules and regulations:
   If antibiotics are detected in the milk, all users of the parlor will have to supply a milk sample for each milking animal. Individuals or parties found having antibiotics in milk, which was processed through the parlor, will be liable for all financial loss created by contamination. We regret having to take such severe measures, but find it necessary to protect all those individuals using the milking facilities.

2. The Association reserves the right to accept or reject any entry, and to return any entry fee before the opening or judging of the show without being liable for compensation.

3. The buildings and milking facilities will be in readiness for all pre-entered cattle on the Monday of fair week and until the morning following the closing of the Fair. Animals must be in place by 8:00 pm Monday and remain until 6:30 pm the last day of the Fair.

4. EXHIBITORS MUST REPORT THEIR ARRIVAL TO THE CATTLE SUPERINTENDENT WHO WILL HAVE STALLS ALLOTTED.

5. ALL ANIMALS MUST BE CHECKED BY STATE VET.

6. All animals will be shown in the ring, and exhibitors must be ready to bring them out when called for judging and upon request of the Superintendent, exhibitors must provide animals to be used in a 4-H or FFA Judging Contest.

7. All exhibitors will be charged a $2.00 per animal stall fee. Stall assignments will be based on the actual number of animals checked in for the fair. The Dairy Superintendent will assign spaces for the animals. Exhibitors will be contacted prior to the fair to determine the actual number of animals on exhibit. The Dairy Superintendent has the right to reassign stalls at any given time.

8. A limited amount of hay and/or straw will be allowed to be stored in the barn area. Large round bales or large square bales must be stored outside. The Dairy Superintendent has the final say on the amount of feed/hay/straw storage in the barn area.

9. All exhibitors must wear exhibitor number when in ring.

10. Any exhibitor removing animal from the ring before the animal has been dismissed by the Judge will forfeit the premium for that class.

11. Exhibitors not reporting to the ring after the last page of their name will forfeit entry and may not show in that class.

“TWILIGHT” ROOSTER CROWING CONTEST
Wednesday 7:00 p.m.
Otsego County Fair Championship

Otsego County Fair offers $30.00 in prizes to be divided as follows: $10.00 for first place; $8.00 for second place; $6.00 for third place; $4.00 for fourth place; and $2.00 for fifth place.

Contest will be based solely on the number of “crows” recorded during specified periods and not the volume, tone or musical quality. The male having the most crows recorded to his credit at the end, will be declared Champion. This contest has much practical value, as crowing indicates vim and vigor. Crowing contests have been a feature of
Brussels, Belgium shows for many years, the theory being that the lustily crowing male is a worthy mate for the thrifty laying hen. All breeds and varieties of poultry entered in the regular classes are eligible. No entry fee is charged. No more than two males may be entered by one exhibitor. Exhibitor is to be present and is responsible for seeing their bird(s) are placed in competition and returned to their own coops. Superintendent to determine cooping arrangements in this event. Entry fee is 10% of First Premium in this section.

COUNTRY STORE
SUPERINTENDENTS - DORA COOKE AND MARCIA REHRMANN
TREASURER - CLEMENTINE DEFOREST
STORE HOURS: TUES – SAT: 10 AM-10 PM; SUN: 12 NOON–8 PM

Items exhibited in Floral Hall cannot be offered for sale or purchased by visitors. In 1965 the Country Store was established so that fair-goers could purchase the type of crafts, clothing, baby items, toys, plants and other hand-made goods similar to those entered in the fair for prizes and blue ribbons. Anyone having items for sale may place them in the Country Store on consignment. Each item must be new, made or grown by the individual consignor.

Consignments may be brought in Sunday from 1:00 pm-5:00 pm or Monday 10 am-12:00 pm. No merchandise will be accepted after the store opens Tuesday.

Obtain inventory sheet for listing your items as well as a store number by calling Dora Cooke (607) 547-8321 or Marcia Rehrmann (607) 263-5563.

On the inventory sheet, print your name, address, telephone number and put your store number in red in the upper right hand corner and circled. List each item separately, one per line, number each item, name the item and give a brief description as to color, size, etc. and the price.

Make a tag for each item, using all information shown above (item number, item description, etc, price and your store number, in red and circled). Fasten the tag SECURELY on the corresponding item. This tag will be removed and kept at the time of sale. Tags should be easy to remove - please do not use sticky tags or straight pins.

If you wish to place a second tag identifying yourself or your business or providing care instruction, etc. you may do so. This second tag will not be removed.

The Country Store retains a commission according to the number of shifts worked during fair week. 10% for two (2) or more shifts, 20% for one (1) shift and 30% if no shifts are worked. A shift consists of four (4) hours. You may sign up at the check-in desk for the shifts you can work. Please work if you can. All commissions you pay are used for upkeep of Floral Hall.

No merchandise will be sold after 8:00 p.m. Sunday. NO Merchandise can be collected or packed up before 8 pm Sunday. Merchandise can also be picked up from 10am – 12 noon on Monday morning. Any merchandise left after 12 noon the Monday after the Fair closes will become the property of the Fair and will be disposed of at their discretion. If you send a second party to pick up your merchandise, please provide them with written permission to collect your items and money.

The Country Store is not responsible for lost or stolen items.

Need more information? Call Dora Cooke (607) 547-8321 or Marcia Rehrmann (607) 263-5563

OTSEGO COUNTY FAIR TRACTOR PULLING RULES
ENTRY FEE FOR ALL CLASSES IS $20.00 PAYABLE AT THE TIME OF ENTRY.
OFFICIAL DRIVER MUST BE IN SEAT OF TRACTOR AT TIME OF WEIGHTING.
OFFICIAL WEIGH-IN IS MADE IMMEDIATELY AFTER TRACTOR HAS BEEN PULLED.
CLASSIFICATIONS-ALL TRACTORS WILL BE CLASSIFIED ACCORDING TO WEIGHT ONLY

GENERAL REQUIREMENTS
1. Rubber tires required. No four-wheel drive tractors allowed. No dual tires, studs, or chains are permitted. All power must be transmitted through rear wheels.
2. Pullers must be at least 16 years of age. No pullers under the age of 18 years will be allowed to pull without a parent or guardians written consent.
3. All tractors must have a hood and grill
4. All tractors must be equipped with workable rear brakes.
5. Drawbars must be stationary in all directions. Maximum drawbar height is 20” from top of hitching device parallel to ground. The minimum drawbar length is 20” from center of rear axle to point of hook. Hitching devices on drawbar can be no less than ½” thick and no more than 1 ½” thick with a 3” diameter opening. The pulling point may not be more than 2” from the back of the hitching device. No two or three point hitch drawbar allowed.
6. Drivers must supply their own ¾” clevis or hitching ring with at least 3” hole.
7. All exhaust discharge to be a minimum of 20” FROM EXHAUST MANIFOLD.
8. Naturally aspirated tractors will not be allowed to run in Turbo classes of same weight.
9. Only one installed turbocharger is allowed on any tractor and must be adequately shielded.
10. Tractors with cut or shaped tires will be allowed, up to 20.8 x 38 Hot Farm
11. Wheel weights and well-casing brackets shall not extend more than 12” from rear tires. Suitcase weights may be secured to a sturdy bracket on rear of tractor. Weights must not extend more than 6” behind farthest rear factory point of tractor excluding hitch.
12. Suitcase weights may be secured to a sturdy bracket on the front of the tractor but not to extend more than 24” from farthest point of frame
13. Tractors may use “belly bar” brackets for securing suitcase or wheel weights.
14. No portion of tractor or weights may interfere with sled or hitching of sled
15. No protruding bolts shall extend more than 8” from wheel.
16. No one-Front Wheel tractors allowed except “factory made” or better.
17. Only original tractor block not truck motor blocks.

Safety and Tractor Operations

1. No alcoholic beverages will be allowed.
2. Bottom of front tires will not be allowed to rise more than 36” off the ground. Determination of height will be decided by the judge’s eye. The decision of the judge will be final. Contestant’s pull will be measured from the point at which he is stopped.
3. Tractors must be operated in a safe manner at all times.
4. Operators must remain in their seats during the pull and have complete control of the tractor at all times.
5. No drivers will be allowed to pull under the influence of alcohol, drugs or any medication that
impairs ability.
6. No weights may be placed on seat, footrest, or platform of tractor.
7. Contest will be governed by judge(s) with all decisions final. Judge(s) have the right to stop and disqualify any tractor if it is operated in such a manner as to be considered unsafe.
8. All tractors must be in neutral or park transmission selector while being hitched or unhitched from sled.

Contest Rules

1. Only one pull allowed per tractor in class unless a tie is declared. Once past the 50’ mark, official pull will be counted.
2. If a pull-off occurs, contestants have only one attempt to move the sled. Contestants must pull-off, not splitting of positions. Judge(s) decision will be final.
3. All pull start from a tight hitch. No jerking is allowed. If the first attempt is stopped at 50’ or under, contestants will be allowed a second attempt to start sled and/or change gear selection.
4. All drivers will obey flagman’s signals and tractors must stop immediately up on signal from flagman. No hole digging is allowed.
5. Tractors must remain within boundary lines of tract during pull or they will be disqualified.
6. The first contestant in each class will only pull in third position if sled adjustments are necessary.
7. The pull shall be considered over when forward motion of the sled stops.
8. Any ballast, weights, or external parts lost while hooked to sled will cause disqualification.
9. The contestant has the option of spotting the boat abut it must be spotted upon the return to the starting line.
10. Tractors will be weighed with driver immediately before the official pull. Drivers will take tractor from weighing station to staging area for pull in process. Judge(s) have the right to weigh and measure any tractor after they pull. Drivers will be responsible for having tractors within weight limit or be disqualified. A random check of weight and hitch may be conducted after pulling at the discretion of the Association.
11. Each contestant must sign a statement relieving the Otsego County Fair Association, Inc along with others stated within the release form of any liability in case of accident or personal injury.
12. There will be No Cut Tires for Out of Field Classes
13. Operator Must be 18 years old to participate in Hot Farm events

suspension. Hook point cannot exceed 26” from the ground. Hook point of hitch must be the furthest point back of the truck. No point of the hitch may attach forward of the center line of the rear axle. Sled stops are the only thing that may extend rearward of the hitch.

21. **Interior**: No batteries, water hoses, fuel lines allowed in cab.

22. **Nitrous Oxide**: Propane AND THE USE OF OTHER OXYGEN EXTENDERS ARE PROHIBITED. All system components MUST be removed.

23. **Rear End**: Non-OEM rear-ends housings are prohibited. The rear end must have been an option on a 1-ton or smaller truck. Rear axle bolts to be covered by a cap or shield.

24. **Safety**: All trucks must have a working kill switch with a minimum of a 2” round diameter ring. Located in the rear center of the truck easy to reach and free from the chain and draw bar. When pulled must kill all power to the ignition and fuel pump.

25. **Drivers must wear a helmet**: All other safety and general rules must be followed.

26. **Steering**: The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are permitted.

27. **Suspension**: The factory suspension configuration must be retained. The upper mounting point for strut assemblies must be in the factory location.

28. **Adjustable caster/camber**: Pillow ball mounts are permitted. The lower control arm may be strengthened provide factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

29. **Suspension, Rear**: An OEM-style suspension is mandatory. Traction bars and devices are permitted; they must be bolt on only; welds are permitted for attachment to frame or axle housing. Control arms may be strengthened or replaced, provided all original mounting points are retained. Strut tower braces,
lower tie bars, sway bars, limit straps, and camber kits are permitted. The rear suspension may be bolted solid to eliminate travel. Blocking of the rear suspension is permitted.

30. **Tires:** The tires must be DOT street tires. Cut/Altered tires are prohibited.

31. **Transfer Case:** Non-OEM transfer cases are prohibited. It must have been an option on a one-ton or smaller pickup truck.

32. **Transmission:** Must be from a passenger vehicle rated one ton or less. All trucks require a reverse light. Automatic transmissions require a 3 strap SFI approved blanket or a SFI approved Kevlar shield. Manual transmissions require an SFI approved bell housing.

33. **Wheelbase:** The vehicle must retain the original factory wheelbase and track width. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials

**6200 LB SUPER STOCK GAS- RULES**

1. Max weight of vehicle and driver to be 6200 pounds.

2. Radiators must be maintained and ahead of engine

3. Engine must be behind grill.

4. Dry sump oiling systems permitted.

5. Headers can be upright or downward, open exhaust permitted.

6. Tube frames and modified OEM frames are permitted.

7. Max wheel base 135”.

8. DOT street tires- but may be altered. No bar tires permitted

9. Trucks must have working kill switches, driveline shielding, fire extinguishers, etc

10. Drivers must have fire extinguishers and wear seatbelts.

11. Fiberglass bodies permitted.
MODIFIED 4X4 TRUCKS

1. Maximum weight of competition vehicle is 6200 pounds.
2. Cubic inch limit is 650.
3. Any automotive type engine must be naturally aspirated with only two valves per cylinder and must accept a stock automotive crankshaft.
4. Rear of engine block can be no farther forward than the centerline of the front axle.
5. Maximum bore spacing allowed is 5.00”.
6. Engine must be behind grill.
7. Front weights may not extend more than 60 inches from centerline of front axle. No loose weights allowed in cab or under hood.
8. Truck or van bodies permitted and must have complete firewall.
9. Planetary axles are permitted.
10. Tube frames are permitted.
11. Axle shields are required. Shield to be .060” thickness steel or aluminum. Shield not to be mounted to axle ends or hub bolts. A single hole may be cut in one to allow locking in of hubs.
12. Maximum wheelbase is 133 inches on all Modified 4X4 trucks. Wheels must be centered in wheel wells. Body must be lengthened or shortened between cab and rear wheel wells, to maintain rear wheels centered in rear wheel well.
13. Front tow hitch will be strong enough to push, pull or pick the vehicle up. Only a 6x6 piece of steel with a minimum thickness of 1” and a maximum of 1.25” thickness will be allowed. A round three (3) inch hole is required in front tow hitch.
14. Maximum tire size to be 112-inch circumference, when inflated to 30 psi with original bar, not to exceed 18 inches in width before cutting.
15. Clear Plexiglas or factory tint glass permitted.

16. No mud flaps or dirt deflectors will be permitted.

17. No fuel tanks, fuel lines, pressure gauges or pumps allowed in cabs. All hydraulic lines in cab must be shielded top and sides with a minimum of .060 aluminum.

18. All air or hydraulic suspension systems cannot have hydraulic, air, or electric lines attached to these devices during competition.

19. Hitch height maximum is to be 26” at point of hook before, during, and after pull.

20. Hitch must be rigid in all directions and solidly mounted. Pulling point can be no more than 1 inch from back edge of drawbar. No clevis, chains, or cables permitted.

21. In hitching device. From point of hook to centerline of rear axle shall be no less than 30% of truck wheelbase and shall not slope any greater than 33 degrees to hitch point.

22. No hitch supports or adjusters, if fastened to the rear axle housing shall be above the center line of the rear axle. Pivot pin of drawbar can be no farther forward than centerline of the rear axle.
8500 lbs 2.5 WORKSTOCK 4X4

1. Class weight is 8500 lbs maximum with driver.

2. **Ballast:** Ballast is permitted. Hanging/hidden front weights are prohibited. Ballast may be added in the bed of the truck. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official. Ballast in cab is prohibited.

3. **Batteries:** The Batteries must be securely mounted. They may not be located in the driver compartment or forward of the radiator core support.

4. **Body:** The body must be OEM truck body, including the full bed floor. The body must retain all original sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and OEM floor pan is mandatory.

5. **Brakes:** Four -Wheel hydraulic brakes are mandatory and must be functional.

6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, backhalf conversions, tube chassis, etc are prohibited.

7. **Cooling Systems:** Radiators must be in the stock location and must be of at least stock size.

8. **Credentials:** All drivers must have a current valid driver’s license.

9. **Driveline:** An OEM transmission and transfer case are mandatory. They must have been an option on a one-ton or smaller pick up.

10. **Driver Restraint System:** The OEM restrain system is mandatory and must be worn. Helmet must be worn when pulling.

11. **Drive Shaft Loops:** All trucks must have a minimum of 6” wide U- joint shields around for rear U-Joint to accumulate points. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any U-joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other U-joints. All shielding must
be securely mounted to the vehicle.

12. **Engine:** The engine is limited to a stock appearing, OEM compression engine, available from the factory in a one ton or smaller truck. Cubic inch limit of 444 cu in.

13. **Blocks:** must circulate coolant freely. No hard-filled blocks. Water pumps may be electric or factory. All factory belt driven accessories, excluding air conditioner compressor must be retained and powered via the crankshaft by a standard serpentine or v belt or belts. Electric cooling fans are permitted. NO SIDE DRAFT/RUNNER STYLE INTAKES PERMITTED.

14. **Exhaust:** The exhaust must exit rearward of the driver’s compartment. Stacks exiting through the hood or fender well are prohibited. If the muffler or catalytic converter have been changed from stock, two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical. Upward exhaust required for all vehicles pulling for points.

15. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted. All vehicles must have at least a 2 1/2 lb. fire extinguisher with working gauge mounted within drivers reach.

16. **Fuel:** The fuel must be pump #1 or #2 diesel only. Soy/Bio-diesel fuel is permitted.

17. **Off-road diesel fuel is prohibited.**

18. **Fuel Injection Pump:** The fuel injection pump is limited to cylinder number specific (i.e. 6-cylinder pump on 6-cylinder motor). Dual high pressure common rail fuel pumps or HPOP's are permitted. The P pumps that are allowed are the p3000 and the p7100. Ag governors are not allowed. No sigma or 12 cylinder pumps allowed.

19. **Fuel System:** The OEM tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

20. **Harmonic Balancer:** All engines turning 4500 RPM and higher must be equipped with a harmonic
balancer or damper meeting SFI Spec 18.1.

21. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted.

22. **Reinforcements** must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. The hooking point may be no closer than 44” from the centerline of rear axle (will be measured where sled hook rests). The hitch must be horizontal to the ground and stationary in all directions. Bumper may be notched or removed. Hitch height from the ground may not exceed 26 inches. The hooking point must have a minimum 3x3.75 inches inside diameter opening for the sled hook. Trick hitches/drawbar styles are prohibited. Trick hitches will be determined by SPI tech official.

23. **Intercoolers:** Factory style or aftermarket air to air replacement only in the stock location. **AIR TO WATER INTERCOOLERS ARE PROHIBITED.** Any means of cooling the air before the engine is prohibited. **NO USE OF ICE OR WATER.**

24. **Interior:** A complete interior, including dashboard, door panels, headliners, etc. is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, window’s, wipers etc.) must be retained and be operative. The use of hand-throttle controls are prohibited.

25. **Nitrous Oxide/Propane:** Nitrous Oxide is prohibited. No other oxygen extenders are allowed. Propane is prohibited. All system components must be removed from the truck. No pressurized bottles.

26. **Rear-end:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up. Rear axle bolts must be covered by a cap or shield.

27. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

28. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be
operative. Complete OEM windshield and windows are mandatory.

29. **Windows:** must be operative per factory specifications: that is, they must open and close via OEM electrical mechanical means.

30. **Suspension, Front:** The factory suspension configuration must be retained.

31. **Modifications to the front suspension** that would alter the original location (i.e. moving it forward or backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

32. **Air shocks are prohibited.** Final decision rest with the SPI tech department.

33. **Suspension, Rear:** An OEM- style suspension is mandatory. Traction bars and devices are permitted; they must be bolt-on only; welds are permitted for attachment to frame or axle housing. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are permitted with at least 1" of suspension compression from ride height. Air bag spring assistance is permitted; air bag compressors must be disconnected.

34. **Tires:** Tires must be DOT street tires. Cuts tires are prohibited. The use of dual rear wheels is prohibited.

35. **Transfer case:** Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.

36. **Transmission, Automatic:** Non-OEM transmissions are prohibited. All vehicles with engines running 4500 RPM or more using an automatic transmission must be equipped with a transmission shield meeting SFI Spec 4.1 and must be label accordingly. A blanket-type shield is permitted; it must be appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the block to the front of tail housing with a minimum of six-inch overlap where it is fastened. All non-blanket type shields must incorporate two (or one, per manufactures instructions) 3/4 inch by 1/8 inch straps that bolt to the
shield on each side and pass under the transmission pan unless the transmission pan is labeled as meeting SFI Spec 4.1. All vehicles with engines running 4500 RPM or more and using automatic transmissions must be equipped with flex plate meeting SFI Spec 29.1 and covered by a flex plate shield meeting SFI Spec 30.1.

37. **Transmission, Manual:** Non-OEM transmissions are prohibited. A clutch meeting minimum SFI Spec 1.1 or 1.2 is mandatory on all vehicles with engines running 4500 RPM or more. All manual transmissions must be clutch assistant. Sequential shifters are prohibited. All vehicles with engines running 4500 RPM or more equipped with a manual transmission must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which an SFI Spec flywheel shield is not available may use a properly attach SFI 4.1 OR 4.2 blanket that completely covers the bell housing, it must be attached to the block and extend rearward to the transmission with a minimum of six-inch overlap where it is fastened.

38. **Turbocharger:** The engine is limited to a single small frame (S300, GT4094, HX40 or smaller) turbocharger, the compressor inducer being 2.5” in diameter and will be measured using a 2.55” plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.5” diameter for at least 0.250” in front of the compressor wheel, and may be no farther than 0.175” from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200” at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. Ford 6.4L Power Stroke engines may utilize the factory compound turbo configuration in OEM stock form only (2.59”) atmosphere inducer. Aftermarket exhaust manifolds are permitted with a flange dimension no larger than T4 (3.500 x 2.750”). The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tech Officials.

**Turbocharger; 2.6” Smooth Bore:** The vehicle is limited to a single 2.6” inducer bore turbocharger. The
compressor wheel must protrude into the 2.6" bore no less than 1/8". The inlet will be measured using a 2.605" plug; the plug must not be able to enter the inducer bore. MWE grooves are prohibited; the turbo inlet must be smooth bore. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the Tech Officials.

39. **Water Injection**: A Water injection is prohibited. All system components must be removed from truck.

40. **Wheelbase**: The vehicle must retain the original factory wheelbase and track width.

41. **Front dual wheel**: spacers may be used only with accompanying positive-offset dually style wheels. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials.
8000 Lbs 2.6 DIESEL 4X4

1. Class weight is **8000 lbs** with driver.

2. **Ballast:** Ballast is permitted. Front hanging weights may not extend more than 60 inches from the centerline of the front axle.

3. **Batteries:** The batteries must be securely mounted and concealed. They may not be located in the driver compartment.

4. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. A factory install or commercial style aftermarket bed must be installed. No Flat beds. Must have complete bed floor.

5. **Brakes:** Front hydraulic brakes are mandatory.

6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc, are prohibited.

7. **Credentials:** Drivers must have a current valid state driver’s license.

8. **Driveline:** An OEM transmission and transfer case is mandatory. They must have been an option on a one ton or smaller pick up. Open driveline allowed with 3.0 smooth bore turbo only.

9. **Driver Restraint System:** The OEM restraint system or SFI approved 5-point harness is mandatory and must be worn.

10. **Drive Shaft Loops:** All trucks must have a minimum of 6” wide U- joint shields around for rear U-Joint. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any Ujoint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must be securely mounted to the vehicle.
11. **Engine:** The engine block must have been available as a factory option on a one ton or smaller pickup truck. Cubic Inch limit of 460 CI. Water pumps may be factory or electric powered. Electric cooling fans are permitted. No billet aluminum or billet steel heads. NO DECK PLATE ENGINES PERMITTED.

12. **Exhaust:** All vehicles must be equipped to direct exhaust upward including stock exhaust systems. Hood stacks are permitted. Two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical.

13. **Fire Extinguisher System:** A fire extinguisher is permitted, it must be securely mounted. All vehicles must have at least a 2 1/2 LBs extinguisher with a working gauge mounted within drivers reach.

14. **Fuel:** The fuel must be pump #1/#2 diesel only. Soy/Bio diesel fuel is permitted. A fuel cell may be used in place of the factory fuel tank; fuel is not permitted in driver’s compartment.

15. **Fuel Injection Pump:** A fuel injection pump is limited numbers specific (i.e. 6 cylinders pump on a 6 cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. AG governors are permitted. No Sigma or 12 cylinder pumps allowed.

16. **Harmonic Balancer:** All engines turning 4500 RPM or higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

17. **Hitch:** Hook point must be no closer than 44 inches of centerline of rear axle (will be measured where sled hook rests). Hitch height maximum of 26 inches for 4-wheel drive pickups and maximum 30” for 2-wheel drive with a minimum of a 3.0”x3.75” opening. Hitch point must be easily accessed. No “trick” type hitches permitted.

18. **Hitch** must be stationary in all directions. Reinforcements must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. Hitch must not exceed a maximum of 25-degree angle from pivot point to hook point.

19. **Intercoolers:** Factory style or aftermarket intercoolers are allowed. Water to air intercoolers
allowed. Ice and water must be weighed at time of crossing the scales.

20. **Interior:** The vehicle must be equipped with at least one seat for the driver; it must be properly installed. Either the normal foot throttle or an approved spring-loaded hand throttle will be permitted in this class. (See General Rules)

21. **Kill switches:** All trucks are required to have a kill switch located on the back of the truck, located near the hooking point. They must have an air guillotine of the spring-loaded type. If during competition the kill switch slides loose or falls out distance will be measured. Securing the kill switch is the driver’s responsibility.

22. **Nitrous Oxide:** Nitrous oxide is prohibited. No other oxygen extenders are allowed.

23. **Propane is prohibited.** All system components must be removed from the truck.

24. **Rear-end:** Non-OEM rear-end housing are prohibited. The rear-end housing must have been for a one ton or smaller pick up. Rear axle bolts must be covered with a cap or shield.

25. **Safety Equipment:** All drivers must wear a helmet, long pants, not necessarily fire suit pants, leather shoes.

26. **Steering:** The vehicle may retain the original OEM steering gear or use of hydraulic steering. Additional stabilizers are permitted.

27. **Street Equipment:** Complete headlight and tail light assemblies (all) are mandatory. Complete OEM windshield is mandatory. Driver’s window must be operative.

28. **Suspension, Front:** The factory suspension configuration must be retained. Modifications to the front suspension that would alter the original location (i.e. moving it forward and backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted. Air shocks are prohibited.

29. **Suspension, Rear:** Solid rear suspension permitted. Air bag spring assist permitted.
30. **Air bag compressors must be disconnected.**

31. **Tires:** The tires must be D.O.T street tires, with a tire limit size of 35 inches. Cut tires are prohibited.

32. **Transfer Case:** Non-OEM transfer cases are prohibited. It must have been an option on a one ton or smaller pickup truck.

33. **Transmission, Automatic:** Non-OEM transmissions are prohibited. The transmission must have been an option for a one ton or smaller pickup truck.

34. **Aftermarket torque converters,** valve bodies and internal components are permitted. Transmission brakes are prohibited. ANY Non-OEM floor mounted automatic shifter must be equipped with a spring-loaded positive reverse lockout device to prevent the shifter from accidentally being put into reverse. A functional neutral safety switch is mandatory. Vehicle must not start in gear. All transmission lines must be metallic or high pressure type house.

All automatic transmissions must be equipped with a transmission shield meeting SFI Spec 4.1 and must be labeled accordingly. A blanket type shield must be used and appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the engine block to the rear of the tail housing with a minimum of six inch overlap where it is fastened. All vehicles using an automatic transmission must be equipped with a flex plate meeting SFI Sec 29.1

35. **Transmission, Manual:** Non-OEM transmissions are prohibited. The transmission must have been an option on a one ton or smaller truck. Aftermarket internal components are permitted. A clutch meeting minimum SFI Sec 1.1 or 2.1 is mandatory on all engines. All manual transmissions must be clutch assisted. Sequential shifters are prohibited. All transmissions must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which an SFI Spec fly wheel shields is not available may use properly attached SFI 4.1 or 4.2 blankets that completely covers the bell housing. It must be attached to the rear of the engine block and extend rearward to the transmissions with a
minimum of six- inch overlap where it is fastened. All transmissions or clutch pedals will have a safety interlock switch so that the vehicle will not start in gear.

36. Turbocharger; 2.6” Non-Protrusion: The engine is limited to a single turbocharger, the compressor inducer being 2.6” in diameter and will be measured using a 2.65” plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.6” diameter for at least 0.250” in front of the compressor wheel, and may be no farther than 0.175” from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200” at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle’s driver will be responsible for making compressor wheel accessible for SPI tech personnel to measure bore and able to inspect compressor wheel.

37. Turbocharger; 2.6” Protrusion: The vehicle is limited to a single 2.6” inducer bore turbocharger. The compressor wheel must protrude into the 2.6” bore no less than 1/8”. The inlet will be measured using a 2.650” plug, the plug must not be able to enter the inducer bore. A map width enhancement (MWE) groove is allowed with a maximum width no greater than 0.200” at any point, and an overall diameter any greater than 3.700” at any point. Any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tech Officials.

38. Turbocharger; 3.0” Smooth Bore: The vehicle is limited to a single 3.0” inducer bore turbocharger. The compressor wheel must protrude into the 3.0” bore no less than 1/8”. The inlet will be measured using a 3.005” plug, the plug must not be able to enter the inducer bore. MWE grooves are prohibited, the turbo inlet must be smooth bore. The vehicle’s driver will be responsible for making the compressor wheel/bore accessible for inspection by the SPI Tech Officials.

39. Water Injection: Water injection is prohibited. All system components must be removed from truck.

40. Wheelbase: The vehicle must retain the original factory wheel base and track width. Cab and chassis
trucks may not exceed 172 inches. Center to center of axles.

41. **Front dual wheel spacers** may be used only with accompanying positive-offset dually style wheels.

---

**9,000 LB. MODIFIED DIESEL – RULES**

1. This is an open modified diesel truck class. Trucks MAY be hauled to the pull.

2. No studded tires or tire chains. Tires may be cut. Diesel trucks with dual rear wheels (2WD and 4WD) may enter and run in this class.

3. Pulling hitches are permitted. Hitch point may not be more than 26” from the ground. The hook point must be the furthest point to the back of the truck. Hook point must be past the bed of the truck if there is no bumper, or past the end of the bumper. Each truck driver must supply his/her own twisted clevis. The hole for hitching must accommodate a minimum of 3.5 inches across.

4. No aluminum engine blocks are permitted unless O.E.M. No open headers will be allowed. Diesel fuel additives are permitted. Dual turbochargers are permitted.

5. Solid suspensions are permitted. Lift kits are acceptable. Traction bars may be used.

6. Weights on the front of vehicles must be securely fastened to truck and must not extend more than 60 inches from the center line of the front wheels. No snowplow blades are allowed. Snowplow frames are acceptable. The wheel base may not be changed from the original manufacturer. Wooden flatbeds are permitted.

7. Drivers MUST wear a helmet in this class.

8. **SEE OPERATION OF CONTEST RULES.**

**PROTEST PROCEDURE**

1. All protests must be made in writing and submitted and signed within five (5) minutes of class being protested has completed. Protest must clearly define three items, (A) Who is protested, (B) What they
are protested for, limited to one (1) item per protest, and (C) who is protesting.

2. All protest fees will be in cash. If protested vehicle is found legal, then fee will be forfeited to person found legal. If vehicle is illegal, then vehicle is disqualified with a loss of purse & points and fee is returned to protester.

3. Fee for protest is as follows:

   A. Cubic Inch- $1000. Complete tear down. A 1% variance will be given for wear and tear. $100 from protest fee for teardown is paid to the OFFICIAL in charge of the teardown. Remainder of teardown fee is returned to protester or given to protested party pending outcome of teardown.

   B. Fuel, Visual, Turbo, Performance Enhancements, etc.-$500. Any competitor knowingly competing with a performance enhancing equipment or illegal fuels and verified by a Head Tech Official at the event will be disqualified for a period of one year and ten days and including actions discovered by protests, at all associated Fair events. Suspensions will include driver and vehicle.

4. The officials and the protested are the only people allowed near the vehicle during protest.

5. Anyone causing disruption during a protest will be disqualified.

DEPARTMENT N – GRANGE
Grange Co-Chairs Anna and Norman Ritchey

RULES:
1. Entries should be made with the Fair Entry Clerk by July 14, 2017 please see appropriate entry form.
2. No more than one-third of the booth space shall be occupied with printed material.
3. Exhibits must be in place by Sunday night, July 30 at 6 pm. They may be picked up after 8 pm the last day of the Fair.
4. The title must be displayed in the exhibit.
5. Judging will be based on the following score

   Workmanship and originality.........35
   Development of the subject..........25
   Educational value.........................20
   Attractiveness and Arrangement.....20

The theme for the Community Grange exhibits will be: GRANGE RELATED WITH THE THEME DISPLAYED

The theme for the Pomona Grange Committee exhibits will be grange related and judged separate from Community Grange exhibits.

Scores of 85 to 99 will receive a Blue Ribbon and prize money
Scores of 75 to 84 will receive a Red Ribbon and prize money
The Best of Show (Community Grange) will receive an extra prize of $10.00
2017 Otsego County Fair TALENT CONTEST

At the Grange Building, Otsego County Fair, Morris, NY

Anna Ritchey Chairperson  607-563-1104   755ritchey@frontiernet.net

Sat, August 5 Mini Show (12 years and under) 1:00 pm
Sat., Aug. 5, Maxi Show (13 years and over) 3:00 pm

Best of Show at 5 pm or 6:00 pm depending on # of entries
First place winners compete in each category/division

1. Contestants who audition in one county are not eligible to audition in another
2. All entries must be mailed to Anna Ritchey, 755 Co Hwy 2 Unadilla, NY 13849 by July 26, 2017.
   No entries accepted after this date unless contest is not filled. Limit 20 acts each night.
3. Line-up for each show performance will be posted an hour before start of show.
4. Dance studios are limited to 5 acts each night.
5. Contestants/Performers (must be strictly amateur) time limit not to exceed 5 minutes
6. A vocal accompaniment tape should not contain a solo vocal on the tape. It should be an
   accompaniment tape only. Contestants using recorded music for their performance must bring own
   tape player.
7. Piano or keyboard will be provided and sound system
8. $2.00 administrative fee per entry payable to Otsego County Pomona Grange
9. Include with entry a brief description of performance and, if group, each person's name and age.
10. There is no rock band or baton acts allowed at State Fair
11. Teen Recording Artists Call to schedule performance during week 563-1104

Four categories each age group: Vocal, Instrumental, Dance, Variety
Prizes: 1st. - $20.00  2nd - $15.00  3rd - $10.00 will be awarded in each category

Best of Show $50.00 each for Mini and Maxi Division on Saturday at 6:00 pm

Donated by NBT Bank of Edmeston

Qualified winners are eligible for the Talent Showcase at the New York State Fair.
