2025 FAIR CHANGES AND REMINDERS

Stall Decorating Contest Theme: Back to Roots in Cowboy Boots

- **Camper Check In-** Friday 3pm-8pm or Saturday 12 pm – 8 pm
- **TACK-**can be brought into the fair prior to animal move in. **STALL** assignments will not be ready until Friday Morning! **Tack** can be brought in while animals are moving in, however you will be directed to park in the infield and there will be a shuttle for your tack to the barns.
- **Animal Weigh In-** Tuesday 5pm Saturday 8am Swine, Beeg, Goat, Rabbits, Poultry. Superintendence and a board member will monitor the scales.
- **Horse Shows-** when horse show is completed all trailers must go around track and out the parking lot. They **CANNOT** drive on exhibit area!
- **State Vet** will be on the grounds:
 - Sunday 7:30am-10:00 (GOATS ONLY), 10:00-1:30 (All Other Species)
 - Monday 9am-6:00pm
 - All livestock MUST ARRIVE on the fairgrounds during these hours. Animals arriving outside of these hours will be IMMEDIATELY SENT HOME. No animals are to be unloaded until checked by the State Vet. These requirements will be strictly enforced.
 - Open Beef Show Only- Friday 8am-9:30am
- Cattle Gate will be an exit only for animal check in days.
- **Animal Trailers** will use the front gate and go down Cattle Drive (by Martin Hall) and get inline for the State Vet to check in your animals (please see attached map).
 - The trailer driver must have all the correct paperwork for the animals to be unloaded.
 - Reminder to make sure your animal registration numbers match their paperwork.
 - Once animals are checked in, trailers will have 20 minutes to unload.
 - Once unloaded the trailers will exit the cattle gates.
 - If your trailer is staying the week of fair, you will exit the cattle gate and come back in and park your trailer in the parking lot.
- If your bringing, just tack in you will directed to park in the infield and there will be a shuttle for your tack to the barns.
- **Stall Decoration Contest:** The contests theme will be Back to Roots in Cowboy Boots .
- **Exhibitor Parking Passes** will require license plate numbers on them, and each car will need their own Infield Parking pass. Please bring plate numbers with you when you enter your animals.
- **Entry Office-**Please check the entry Clerk Schedule.
- **Horse Shows-** when the horse show is completed all trailers must go around track and out the parking lot. They **CANNOT** drive on exhibit area!
- Backflow Preventers- all hoses connection must have backflow preventers on them.
- Any gated connector or Y connector added must have a backflow preventer before and after the connection.
 - If you do not have a backflow preventer, please go to the Fair office and sign one out.
- Wheelbarrows, Buckets, ETC cannot be left with manure in them.
- If you have any question about Heath Department Requirements, please reach out to the fair office.

The Livestock Gate will be closed to all traffic, foot and vehicle, from 9am until 5pm daily. Exhibitors should use the main entrance during these times. Please use caution when passing the horse show area.

LIVESTOCK ARRIVAL TIMES

The State Vet will be on the fairgrounds on Sunday from 7:30am – 10:00am (Goat Check in only) 10:00am- 1:30pm (all other species) and Monday from 9am-6pm only. All livestock **MUST ARRIVE** on the fairgrounds during these hours. Animals arriving outside of these hours will be **IMMEDIATELY SENT HOME**. No animals are to be unloaded until checked by the State Vet. These requirements will be strictly enforced. **PLEASE NOTE: 1) Any cows calving on the fairgrounds will be made to leave. 2) All health charts must be written AFTER MAY 1 in order to be allowed at the Otsego County Fair. 3) Piglets that are nursing do not have to be tagged—they ONLY have to be on the health chart and 4) Calves have to be 3 months old to get their rabies shot.**

OTSEGO COUNTY FAIR ASSOCIATION, INC. RULES AND REGULATIONS

(Rules subject to change without prior notice)

All rules and regulations published in this book are made a part of the conditions under which all entries are accepted, or exhibit space or concessions licenses are granted.

The Otsego County Fair Association, Inc. management reserves the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, and differences in regard thereto, or otherwise arising out of, connection with, or incidental to the Fair.

The management reserves the right to amend or add to these rules and regulations as in its judgment may be deemed advisable.

Any person who violates any of the following general rules and regulations or any special rule or rules shall forfeit all privileges and premiums and be subject to such penalty as the management may order.

Make entries to: **Otsego County Fair Association, Entry Clerk, PO Box 469, Morris, NY 13808. Phone 607-263-5289.**

- 1. Time for Making Entries.** Entries may be made by mail or personally at any time after this list is received. Exhibitors are required to make themselves acquainted with the premium book and regulations so as to make certain in which sections and departments their entries belong as well as period of exhibit. Exhibitors must use separate blanks for entries in each department.
- 2. Place for Making Entries.** Entries may be made by mail or in person at the Office of the Entry Clerk, Fairgrounds, Morris, NY. Checks should be made payable to the Otsego County Fair Association, Inc. Tags will be held at the Entry Clerk's Office, where they may be called for.

3. **Bounced Check.** Any returned checks will be charged the bank fee plus \$40 return check fee.
4. **Closing of Entries.** Entries cannot be made after the closing date specified for each department on the Entry Clerk's calendar.
5. **All exhibits must be entered in the name of a bona fide owner,** such ownership to have existed at least 30 days previous to the time of the showing, unless exhibited by the original producer or fabricator of the article exhibited and proof of ownership must be presented by the exhibitor on request of the Fair Association. No judges or superintendents shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.
6. **Examination of Entry Cards.** Exhibitors are requested to examine their entry cards at the time of making entries so that if any mistakes have been made, they can be corrected. No person can make any change or withdraw any article entered for competition or exhibition after having once entered it. **THIS RULE WILL BE RIGIDLY ENFORCED IN ALL DEPARTMENTS. THERE WILL BE NO REFUND ON ENTRY FEES.**
7. **Display of Entry Tags and Ribbons.** An entry tag must be attached to each exhibit in Canham Building and the Antique Departments. This tag will be furnished by the Entry Clerk, after entries have been made. All entry tags and ribbons must be displayed during the exhibition. No consideration will be given by judges to any article to which the entry tag is not attached. The judges will not award a premium to any animal or article which has not been properly entered.
8. **Entries Limited to Capacity.** All entries will be limited to the capacity of our present buildings, and will be recorded in the order received. The management reserves the right to reject all entries after the capacity has been reached. No animals or article will be entitled to a place on the grounds until a proper entry thereof shall be made.
9. **Competition Defined.** Competition is defined as a contest for supremacy between two or more products, or articles or animals owned by separate exhibitors. **Exhibitors having no competition in a class or section will be awarded as judges think deserved unless otherwise noted** under Special Department Rules and all premiums shall be awarded subject to the action of the Board of Directors.
10. **Only exhibitors may purchase an exhibitor pass.** Please see Entry Clerk for purchasing Fair passes.
11. **An exhibitor may show as many animals as he has entered in single classes,** but may receive only two premiums per class. All animals shown in group classes must have been shown in their individual classes.
12. **Computation of Ages of All Animals.** The ages of all animals must be given, and satisfactorily verified, if required. Ages of all animals shall be computed from January 1st, to determine in what classes the animals shall be entered. (Except as otherwise noted.)
13. **Display of Exhibits and Animals.** Exhibitors must show their exhibits whenever and in such a manner as required by the executive offices in charge of the department. All animals will be shown in the ring and

exhibitors must be ready to bring them out when called, either for judgment or parade. All livestock exhibitors must maintain a clean, attractive exhibit during the entire week. Failure to do entails forfeiture of all prizes.

- 14. Placing of Exhibits.** All exhibits must be in place at the proper time, on the opening day of the Fair, except as otherwise noted.
- 15. Removal of Exhibits.** No exhibit may be removed from the display until after 8:00 pm Sunday, except livestock: cattle 6:30 pm; sheep and swine 7:30 pm; goats 8:00 pm; horses 8:30 pm **with the exception of 4-H auction animals ONLY**—see director in charge to remove animal. Exhibitors showing more than one species of livestock must abide by the latest time of release if trucking more than more species at a time. This rule will be rigidly enforced, and it is the purpose of the management to have all exhibits on the closing day equally attractive in every department at any time during the week.
- 16. Exhibitors Responsible for Entries.** The Fair Management will not be responsible for the omission if any article or animal not entered strictly in accordance with its rules.
- 17. Stalls and Forage for Animals.** Stalls or pens for livestock will be ready for exhibition stock one day prior to Fair opening, until the close of the Fair. No feed or bedding of any description will be furnished to livestock or poultry during the exhibition. There will be a fee of \$3.
- 18.** All animals exhibited must be registered in their respective herd books, unless entered in commercials, grade or market classes. Registration name and number must be given at time of entry. All registration certificates must be available for examination by the Department Superintendent at any time.
- 19. Tickets.** Admission to grounds by **ticket only**.
- 20. Entry Fees.** All exhibitors will be charged an entry fee on each article entered as defined by Department Rules.
- 21. Liability.** Every possible protection
- 22. Payment of Premiums.** Premium checks will be paid to the winners of the various awards as shown on the Judge's records. Exhibit taken from fair prior to published release time will forfeit premiums. In paying premiums, no evidence of award shall be recognized except the Judges' book properly signed by the Judges and not from ribbons that may be attached to exhibits. Should stormy weather or unavoidable occurrence interpose the fair to reduce the net receipts below the required premiums, the Management reserves the right to pay premiums on a prorated basis after all expense is paid. Premiums will be paid within 60 days of the close of the Fair. **All checks issued for premiums must be presented for payment within 60 days from the date of issuance. Any check not cashed within the 60 days will be considered a donation to the fair.**
- 23. Protests.** All protests must be in writing, must state plainly the complaint and must be delivered to the Secretary within 6 hours after the cause of the protest, with a deposit of \$25.00.
- 24. Judges.** As far as possible the single judge system will rule and great care will be taken to select those who are qualified. No person or persons will be allowed to interfere with the judge in the discharge of their duties. Persons wishing to explain in regard to their exhibits can do thought the Superintendent of the Department. In

case an animal or article has not been entered, the judge must not award a premium or have it entered after entries close. No consideration should be given by the judge to any article to which the entry tag is not attached. When judges have reason to doubt the pedigree of any animal or bird, or the presentation made on any article, they must report at once to the Superintendent of that Department, who will gather such evidence as they can at the Secretary's office or by other methods. Where exhibits have been erroneously entered, the judges may have the same corrected by an Entry Clerk before they judge the class, but not after. **No additions to or changes in the Judge's Record shall be made by any person except an Entry Clerk.** The decision of the judges shall be final in all classes.

- 25. Advertising Restrictions.** Under no circumstances will any person or firm be allowed to place any advertising matter upon buildings, trees, or other places on the grounds, nor will they be permitted to distribute advertising matter outside the place assigned to them.
- 26. Sale of Goods by Exhibitors.** Exhibitors will not be allowed to sell goods without permission (though they may receive book orders) nor will they be allowed to call attention to their wares in a noisy or disorderly manner.
- 27. Soliciting Prohibited.** The circulation of subscription lists or soliciting in any manner, for whatsoever purpose, will not be permitted in any building, or on the Fairgrounds other than in regularly authorized concessions, and in these excepted instances only upon the written authorization of the officer in charge.
- 28. Radios, etc.** All sound-producing must be of such nature as not to cause annoyance or inconvenience to visitors or other exhibitors. Permission for used of same must be first obtained from the Board.
- 29. Exhibitors Erecting Separate Buildings.** Exhibitors wishing to erect separate buildings or additional work building should make their requests to the Board. In all cases the exhibitors must bear the expense. Any structure erected and not removed within ten (10) days after the close of the Fair, shall become property of the Otsego County Fair.
- 30. Electric, Lights and Power.** Charges for electricity and wiring shall be made to exhibitors and concessionaires in keeping with schedule on file in the Director's office which will be furnished upon request. Only electric and gas stoves will be allowed in buildings.
- 31. Delivery Trucks.** No supply trucks or wagon will be admitted to the grounds any day of the Fair after 10:00 am. The Fair Management reserves the right to exclude any and all delivery vehicles, if in their judgment their methods are detrimental to the best interest of the Fair.
- 32. Parking.** Automobiles and all other vehicles must be parked in spaces designated by the Management and not elsewhere. The Management shall not be liable under any circumstances whether of negligence of itself, its agents, or otherwise for any injury to his or her person for ay loss or injury to his or her property.
- 33. Illegal Activities.** Any person found practicing an illegal activity will be immediately escorted from the Fairgrounds.
- 34.** The Otsego County Fair will be held in Morris, New York as stated on the front cover, both dates inclusive unless postponed or cancelled as a result of War, Acts of God, Government regulations or any other reason.

- 35.** Failure to abide by any Fair rule or failure to cooperate with any Superintendent or official will result in forfeiture of premiums and exclusion from next year's show.
- 36.** To ensure the safety of our exhibitors, traffic through the barn gate and around the barns and show ring will be limited. Participants shall limit their vehicular use for delivering feed, etc. to early morning before show times. The barn gate is locked at 10 pm.

EMERGENCY DISEASE REQUIREMENTS

Due to the ongoing Highly Pathogenic Avian Influenza (HPAI) outbreak in both cattle and poultry, there are emergency import regulations in effect. In addition, there are federal orders for dairy cattle in effect. Regardless of residency, there are HPAI test requirements for any lactating dairy cow also in effect for New York fairs and exhibitions. These emergency conditions must be met in addition to the Part 351 fair requirements to be admitted to the Great NY State and county fairs. These conditions may change at any time. It is **STRONGLY** recommended that you frequently review these regulations and federal orders for both poultry and cattle at our website:

<https://agriculture.ny.gov/farming/fairs>

General Prohibitions and Requirements

- No person shall bring or have present an animal on the fairgrounds for any reason (show, exhibit, raffle, demonstration, display) during a fair which is not qualified under NYS regulations.
- Any animal which is subject to inspection upon entry to the fairgrounds will be inspected without covering (wraps, coats, head gear, etc.).
- No person shall present an interstate or intrastate certificate of veterinary inspection that has been altered by anyone other than the issuing veterinarian.
- Animals demonstrating clinical signs or other evidence of infectious, contagious, or communicable diseases shall not be allowed on the fairgrounds during a fair.
- Representatives of the Commissioner may deny admission to, or require removal from, the fair premises or require the segregation of any animal showing signs of, or exposed to, any infectious, contagious, or communicable disease.

NOTE: The fair board of directors has the authority to reject unworthy or unsightly exhibits for reasons other than infectious, contagious, or communicable disease (Part 350.10). The state veterinarian or animal health inspector will bring questionable exhibits to the attention of the fair board.

- All animals presented that originate from a location other than New York shall meet all New York State importation regulations appropriate to the species in addition to the fair animal health requirements.

Certificates of Veterinary Inspection (CVI)

- Cattle, sheep, goats, swine, llamas, alpacas, deer, and misc. ruminants require a valid CVI to enter the fairgrounds.
- The CVI must be issued by a Category 2 accredited veterinarian. Wet ink signatures for paper CVIs or e-signature for eCVIs are acceptable.
- A physical CVI must be available to inspection staff for date and approval at time of inspection. This may be a printout of an eCVI or owner's copy of a paper CVI.
- All animals must be officially identified. **ALL MANMADE ID MUST BE RECORDED.** Refer to Animal Identification section below for more information.
- Only one species is allowed per certificate.
- The type and duration of certificate required depends on the origin of the livestock

New York Origin Livestock:

- A valid intrastate CVI (AI-61) is required.
- Each animal must be individually identified on the CVI (see below).
- The CVI must be issued on or after May 1 of the current year.

Out of State Origin Livestock:

- All animals entering New York State must satisfy import health and test requirements for that species and be accompanied by a valid interstate CVI.
- An e-CVI may be issued but a paper copy of the e-CVI is required for the animal check-in process.
- The interstate CVI is valid for 30 days from the date of CVI inspection. During the fair season (July 1 through Labor Day) valid CVI's can be used multiple times for entrance into fairs. The initial entrance into a NY fair must be within 30 days of the date of CVI inspection. For the CVI to be used for a later fair, it must be dated and initialed

by a NYS Agriculture and Markets official noting the location of the initial fair. A change in health status or eligibility of an animal necessitates the generation of a new CVI.

Questions regarding import requirements should be directed to the Division of Animal Industry at 518-457-3971, or at the division's import/export homepage: <https://agriculture.ny.gov/animals/animal-import-export>

Animal Identification

- **ALL MANMADE ID MUST BE RECORDED**
- All cattle must be identified by an official USDA radio frequency identification (RFID) eartag, commonly referred to as an "840 RFID tag" or equivalent official RFID tag if the animal was tagged in another country.
- Sheep and goats must be identified by official scrapie identification (see sheep and goat sections below).
- Swine must be identified by an official USDA approved ear tag. Radio frequency identification (RFID) ear tags, commonly referred to as "840 RFID tags," are strongly recommended. Nursing piglets originating within NYS do not have to be individually identified if the sow is correctly identified on the CVI and the number of piglets in the litter is noted on the CVI. Nursing piglets from out of state will need official ID (see swine section).
- Llamas and alpacas must be identified by official ear tag or microchip.
- Misc. ruminants must be identified by unique ear tag or microchip.
- A complete written description is sufficient identification for horses entering New York accompanied by a CVI. The description must match the EIA test record. Horse sketches and descriptions should reference color pattern, hair whorls, chestnuts, scars, and other markings as necessary to uniquely identify the horse. Tattoos and microchips, if any, should be included. "Bay, no markings" is not an acceptable description for a CVI or EIA test record.
- NOTE: If you are exhibiting animals identified by microchip, a working reader must be supplied by the exhibitor.
- For questions on animal identification please contact your veterinarian or our office at 518-457-3502.

Rabies Vaccination

- Rabies vaccination is required for all species for which there is a USDA licensed vaccine available (cattle, horses, sheep, dog, cat, ferret) **and** that are *4 months of age or older* on the date of admission to the fair.
 - For most rabies vaccines, the earliest age allowable for primary vaccination is 3 months (12 weeks). Animals that are vaccinated prior to 84 days of age will need to be re-vaccinated according to label before entering the fairgrounds.
- Vaccine must have been administered within the past 12 months. The exception is Imrab LA vaccine used in sheep which protects for 3 years after the second annual vaccination (consult your veterinarian).
- The rabies vaccination requirement must be met on the day of admission even if the animal was previously admitted to a fair when too young to vaccinate.
- NOTE: Individual fairs can require animals for which there is no approved rabies vaccine to be vaccinated for rabies. The requirements outlined above would apply. The fair is responsible for notifying exhibitors. The New York State Fair requires rabies vaccination for all livestock species entering the grounds.

Acceptable Proof of Rabies Vaccination

- Acceptable proof of rabies vaccination must include a signed written statement from the veterinarian administering the vaccine to said described animal(s) or a valid certificate of veterinary inspection that has the vaccination listed and is signed by the Category 2 accredited veterinarian.
- Acceptable proof of rabies vaccination must include the name of the product used, the date of administration, and the duration of immunity if longer than one year (sheep only).
- If the statement of rabies vaccination is included on a paper EIA test record, the test record must be signed certifying vaccination in addition to the required signature for the EIA test record.
- If the statement of rabies vaccination is electronically entered into an eEIA test record, only one electronic signature is required.
- NOTE: Rabies titers are not acceptable proof of rabies protection and cannot be used to meet entry requirements. A veterinary clinic invoice may not be sufficient proof of rabies vaccination.
- Acceptable proof of vaccination for dogs is a valid rabies vaccination certificate or a copy of the dog license that contains the rabies vaccination information

HPAI Testing for Lactating Dairy Cattle

- All lactating dairy cattle must test negative for HPAI within seven (7) days prior to entering a fair or exhibition, including the New York State Fair, county fairs, or other exhibitions. The test must be conducted at a National Animal Health Laboratory Network (NAHLN) lab.

BVD-PI Testing

- All cattle, llamas, and alpacas exhibited at NY county fairs, or the State Fair must be negative to an approved test appropriate to detect **Bovine Viral Diarrhea persistent infection (BVD-PI)**. Official ID must be in the animal prior to sampling. The testing veterinarian is responsible to make sure the proper test is conducted. This is a once in a lifetime test that must be reported on the required certificate of veterinary inspection. The issuing veterinarian is responsible for verifying the validity of the test, official identification of the animal, and recording the test date on the CVI. If a previous test or official identification is not verifiable, the test must be repeated.

Cleaning and Disinfection

- All buildings on the fairgrounds housing animals must be cleaned and disinfected prior to the opening of the fair and between groups of animals when housing is rotated (Section 50.2 of Agriculture and Market regulations).

Animal Deaths

- Occasionally animal deaths occur at a fair. If a death occurs, it must be reported to the state veterinarian in charge as soon as possible for review. The animal must be promptly removed from the public exhibit area to a secure location and held for the veterinarian prior to disposal.

Calving, Kidding, and Lambing

- Any cattle, goats, or sheep that calve, kid, or lamb while at a county fair or the State Fair will be **ordered removed from the fairgrounds** along with their offspring, unless the animals are part of a birthing demonstration.

Commingling of Sheep and Cattle

- Due to the potential spread of malignant catarrhal fever from sheep to cattle, it is strongly recommended that cattle be kept separate from sheep.

Commingling of Swine and Poultry

- Due to the potential spread of influenza virus, it is recommended that swine and poultry be housed in separate locations.

Isolation on Returning Home

- The owner or custodian shall keep show animals biologically separate from the herd or flock for a period of at least two weeks after returning to the premises of origin. If any illness is noted in the exhibition animals, the owner should contact their veterinarian immediately.

Individual Species Requirements

Horses

- Certificate of Veterinary Inspection (CVI) is not required for New York origin horses. CVI is required for imported horses. Extended Equine CVIs (EECVIs) are acceptable.
- Negative Equine Infectious Anemia (EIA) test is required for all horses 6 months of age or older. The horse must be accompanied by a valid negative EIA test record, signed by a Category 2 accredited veterinarian. The sample collection date for the qualifying EIA test must have been on or after January 1, 2024, for New York origin horses. For imported horses, the EIA test must have been conducted within 12 months prior to entry. The EIA test certificate must include a complete description of the horse.
- Rabies vaccination within 12 months is required for all horses 4 months of age or older (see above).

Cattle

- See EMERGENCY DISEASE REQUIREMENTS SECTION AT THE TOP.
- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All lactating dairy cattle must have tested negative to HPAI test within 7 days prior to entry to a New York fair or exhibition. See "HPAI Testing for Lactating Dairy Cattle" section above.
- Rabies vaccination is required for all cattle 4 months of age or older (see above).
- All cattle must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of

veterinary inspection.

- All cattle must be vaccinated against bovine respiratory disease complex including bovine respiratory syncytial virus, bovine virus diarrhea, infectious bovine rhinotracheitis and parainfluenza with an age appropriate-product administered in a manner and time frame adequate to confer protective immunity for these diseases for the duration of the fair. The date and vaccine product should be documented.

Sheep

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved flock tattoo and individual animal ID number or 4) electronic implant device (microchip) if the sheep is enrolled in the Scrapie Flock Certification Program, and/or the electronic implant ID is recorded on the sheep's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA- TAG (1-866-873-2824).
- Rabies vaccination is required for all sheep 4 months of age or older (see above).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the flock of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any sheep, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Goats

- Certificate of Veterinary Inspection with animals individually identified with USDA approved scrapie identification. Identification must be one of the following: 1) USDA approved tags or 2) a legible USDA approved registration tattoo or 3) a legible USDA approved herd tattoo and individual animal ID number or 4) electronic implant device (microchip) if the goat is enrolled in the Scrapie Flock Certification Program and/or the electronic implant ID is recorded on the goat's registration paper. For information on scrapie ID, contact USDA at 1-866-USDA- TAG (1-866-873-2824).
- The CVI must contain a written statement from the issuing Category 2 accredited veterinarian that the herd of origin was inspected after May 1 of the current year and no evidence of contagious, infectious, or communicable diseases was found.
- If evidence of sore mouth (contagious ecthyma) is found on any goat, the entire exhibit including the affected animals (and any small ruminants from any other flock on the same conveyance to the fairgrounds) shall immediately be removed from the fair premises with the holding pens cleaned and disinfected immediately after removal.

Swine

- Certificate of Veterinary Inspection with animals properly identified. Out of state nursing piglets need official identification along with the sow. See Animal Identification section above.

Llamas and Alpacas

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above.
- All llamas and alpacas must be negative to an approved test appropriate to detect Bovine Viral Diarrhea persistent infection (BVD-PI). The existing, official identification, date and results of the testing must be noted on the certificate of veterinary inspection.

Poultry

- SEE EMERGENCY DISEASE REQUIREMENTS SECTION AT THE TOP.
- Poultry (with the exception of doves, pigeons, and waterfowl) must be accompanied by 1) results of a negative pullorum typhoid test conducted within 90 days prior to exhibition OR 2) proof that the birds originated directly from a US pullorum-typhoid clean flock or equivalent flock.

- Poultry qualified by 90-day test must be identified by official leg band.
- Proof of NPIP status must be in the form of an NPIP certificate or purchase receipt containing NPIP certification information. If utilizing a receipt, it must be dated within 1 year of the date of admission to the fair.

Deer/Elk (Cervidae)

- Certificate of Veterinary Inspection and a movement permit with animals properly identified.
- Regardless of residency of animals, please contact the Cervid Program Manager at the Division of Animal Industry at 518-457-3502 prior to movement.

Miscellaneous Ruminants

- Certificate of Veterinary Inspection with animals properly identified. See Animal Identification section above. Only one species per Certificate of Veterinary Inspection.

Exhibitor Pre-fair Guidelines

Cattle, Sheep, Goats, Swine, Llamas, and Alpacas, Cervids, Misc. Ruminants

- Review the animal health requirements booklet including information for your species **before** your veterinarian arrives to inspect your animals. If you have any questions, **ask**.
- Your veterinarian is responsible for inspecting your animals and completing the certificate of veterinary inspection (CVI). Call **early** to avoid the last-minute rush when mistakes are made and there is no time to correct.
- Make sure **USDA approved official ear tags** are present on cattle and swine and USDA approved scrapie ID is in place on sheep and goats. Official ID must be applied to animals prior to regulatory testing and completion of the CVI.
- Llamas and alpacas require a microchip or ear tag. If a microchip is utilized make sure the veterinarian confirms the microchip ID or places one. If your animal is identified by a microchip, make sure you bring a working reader with you to the fair.
- ALL IDENTIFICATION MUST BE RECORDED. Make sure it is.
- Review the CVI carefully upon receipt to make sure all the information is correct including any required test or vaccination information.
- **DO NOT** put documents in an envelope and assume all is well. The time to correct is before pulling them out at the fair. The CVI is your document, and you share responsibility if it is incorrect.
- If you are **importing** livestock from out of state, make sure the interstate requirements are met, and you have a valid **interstate certificate of veterinary inspection**.

Poultry

- If your flock is participating in the NPIP program, schedule pullorum flock inspection and testing well ahead of the fair.
- If you're having your birds tested within 90 days of the fair, you must go to a pullorum clinic. Available clinics are listed on the Dept. website. No individual testing is available if you miss a clinic.
- Birds qualified by 90-day test must be identified by official leg band.
- **Bring documentation** with you to the fair in the form of a 1) current NPIP certificate, 2) 90-day test chart or 3) purchase receipt with NPIP certification within 1 year of the date of admission to the fair.

Horses

- **NY origin** horses must be accompanied by a negative EIA test report. The date of sample collection for the qualifying EIA test must have been *on or after January 1, 2024*.
- **Imported** horses (out of state origin) must be accompanied by an **interstate certificate of veterinary inspection with a negative EIA test within 12**

months prior to entry. Rabies vaccination information can be incorporated into the CVI.

- Drawing or photograph **must** match the horse.
- Rabies vaccination must be within 1 year of arrival at the fair and be documented by a **signed** rabies certificate or a signed statement on the EIA test chart with the required information (see requirements).

MOST IMPORTANT

When you are loading your livestock for the trip to the fair, take the time to examine them. Make sure they are the same animals that are on the paperwork and official ID is present and legible. If they are showing any signs of illness, **LEAVE THEM HOME.**

HARNESS RACING **NEW YORK STATE SIRE STAKES** **Tuesday July 29—Noon**

Judging by New York Central Parade Rules

DEPARTMENT O- FLOATS

The Float Parade, including 4-H Floats will be held on Wednesday at 7:30 pm.

ALL ENTRIES WITH DESCRIPTION MUST BE SENT TO FAIR ENTRY CLERK BY JULY 22

TO BE ELIGIBLE FOR PREMIUM MONEY.

PREMIUMS:

1st - \$60.00 2nd - \$50.00 3rd - \$45.00

4th - \$40.00 5th - \$35.00 6th - \$25.00

CLASS I – AGRICULTURAL FLOAT

Open to any bona fide Otsego County organization.

Theme must promote Agriculture.

Floats will be judged on:

Attractiveness.....	20
Workmanship and labor involved	30
Development of the theme chosen	30
Arrangement	20
Total	100

CLASS II - COMMERCIAL FLOAT

Open to anyone in or out of Otsego County.

Theme to represent business or group entering float.

Floats will be judged on:

Theme - Representative of business or group....	20
Appearance - Object Seen.....	30
Workmanship - Quality of work produced	30
Educational Value - Useful knowledge	20
Total	100

CLASS III - 4-H Clubs

Theme to represent 4-H Projects

Attractiveness	20
Workmanship and labor involved	30
Development of theme	30
Arrangement	20
Total	1

2025 OTSEGO COUNTY FAIR OPEN HORSE SHOW

All exhibitors must read and adhere to the General Rules listed below, the NYS Ag and Markets Regulations, and the IAFE Code of Show Ring Ethics as published in this Fair Book.

General Rules

- The Horse Show Committee reserves the right to combine or split classes if entries warrant and to change the order or the ring in which classes are held in if deemed necessary.
- The Horse Show Committee reserves the right to remove any animal from the fairgrounds whose behavior or health is believed to be a danger to itself or to others.
- The Horse Show Committee reserves the right to remove any exhibitor from the show whose behavior is believed to be a threat to themselves, to their horse or to others.
- Entry Fees: Pre-Entry \$6.00 a class, Post-Entry \$8.00, Lead Line is \$1.
- Send Pre-Entry forms & payment to: Otsego County Fair Assoc., PO Box 469, Morris, NY, 13808.
- No** refunds from scratched classes. Exhibitors may add classes no later than **4** classes ahead.
- Prize money will be paid by check and mailed to exhibitor: 1st \$15, 2nd \$10, 3rd \$5 and 4th \$3.
- Stallions can **ONLY** be shown & ridden by exhibitors 18 years and older.
- Classes and patterns to be exhibited and judged to AQHA standards, rules, and regulations.
- Patterns will be posted by the warm up ring the morning of the show.
- Per NYS LAW, ALL RIDERS under the age of 18 years must wear a properly fitted and certified ASTM/SEI riding helmet at all times when MOUNTED. Helmets will be inspected at registration.
- Proof of current Rabies Vaccination and Negative EIA test must be shown at time of registration.
- Stalls available for a \$10 fee. For reservations, call Otsego County Fairgrounds at 607-263-5289, or check with a Horse Show Committee member day of show. (Limited stalls available.)
- Exhibitors accept responsibility of any harm/loss to themselves, their horses, and their belongings.
- Walk/Trot riders may not cross-enter into another division in the same show. Exhibitor age is based on the rider's age as of January 1st.
- Handlers for youth riders permitted in the ring in Lead Line classes only unless arrangements are made in advance with the Horse Show Committee.
- Timed/scored event ties will be broken with re-rides. Day-end ties will be broken by total number of 1st, then 2nd, then 3rd, then 4th, then 5th placings. If tie remains based on number of placings, then coin toss.
- Exhibitors, their parents/guardians, guests and instructors/coaches agree to the following:
 - Entering a class is also accepting and acknowledging the judge's decision of said class.
 - They will promote and showcase the equestrian sport in a positive light at this event.
 - Good sportsmanship and horsemanship will be carried out in and out of the show ring.

Divisions

Lead Line	Exhibitors of all ages, walk/trot only on lead, handler must be 18 yrs and over
Youth WT/WJ	Exhibitors 10 and under, walk/trot only
Junior WT/WJ	Exhibitors 11 to 17, walk/trot only
Adult WT/WJ	Exhibitors 18 and over, walk/trot only
Youth	Exhibitors 10 and under, all gaits
Junior	Exhibitors 11 to 17, all gaits
Adult	Exhibitors 18 and over, all gaits
Open	Exhibitors of all ages, all gaits
Green	Horses in 1 st or 2 nd year of showing at the canter or lope
Pony	14.2 hands under
Horse	Over 14.2 hands

Open Hunt Seat Show - Friday
Registration Opens: 7:30 AM - Show Starts at 9:00 AM

DEPARTMENT BB-- DAIRY CATTLE

BECKY BARRINGER & AMY PROSKINE —SUPERINTENDENT

All Breeds will show Friday Starting at 9am- No breaks for Milking Classes

Stall Decorating Contest Theme: Back to roots in cowboy boots

All exhibitors must read and adhere to the general rules, New York State Ag & Markets regulations, and the IAFE Code of Show Ring Ethics as published in this publication.

1. Due to the severe penalties imposed by the State of New York Agricultural Department for the contamination of milk by antibiotics, we are forced to abide by the following rules and regulations:
1. If antibiotics are detected in the milk, all users of the parlor will have to supply a milk sample for each milking animal. Individuals or parties found having antibiotics in milk, which was processed through the parlor, will be liable for all financial loss created by contamination. We regret having to take such severe measures, but find it necessary to protect all those individuals using the milking facilities.
2. The Association reserves the right to accept or reject any entry, and to return any entry fee before the opening or judging of the show without being liable for compensation.
3. The buildings and milking facilities will be in readiness for all pre-entered cattle on the Monday of fair week and until the morning following the closing of the Fair.
4. EXHIBITORS MUST REPORT THEIR ARRIVAL TO THE CATTLE SUPERINTENDENT WHO WILL HAVE STALLS ALLOTTED.
5. ALL ANIMALS MUST BE CHECKED BY STATE VET.
6. All animals will be shown in the ring, and exhibitors must be ready to bring them out when called for judging and upon request of the Superintendent, exhibitors must provide animals to be used in a 4-H or FFA Judging Contest.
7. All exhibitors will be charged a \$3.00 per animal stall fee. Stall assignments will be based on the actual number of animals checked in for the fair. The Dairy Superintendent will assign spaces for the animals.
8. Exhibitors will be contacted prior to the fair to determine the actual number of animals on exhibit. The Dairy Superintendent has the right to reassign stalls at any given time.
9. 8. A limited amount of hay and/or straw will be allowed to be stored in the barn area. Large round bales or large square bales must be stored outside. The Dairy Superintendent has the final say on the amount of feed/hay/straw storage in the barn area.
10. All exhibitors must wear exhibitor number when in ring.
11. Any exhibitor removing animal from the ring before the animal has been dismissed by the Judge will forfeit the premium for that class.
12. Exhibitors not reporting to the ring after the last page of their name will forfeit entry and may not show in that class.
13. Registrations for the respective breeds must meet national show requirements.

DEPARTMENT E -GOAT
Alicia Jones—SUPERINTENDENT
Stall Decorating Contest Theme: Back to roots and cowboy boots.
Sunday, July 27, 2025 - 10:00
Judge: Bob Bartholomew

Dairy goat exhibitors must have the state veterinarian check each animal and health papers before unloading. ALL ANIMALS ENTERING THE FAIRGROUNDS MUST HAVE A VETERINARY CERTIFICATE PROVING ACTIVE IMMUNIZATION AGAINST RABIES THAT WAS GIVEN 14 DAYS PRIOR TO THE DAY OF THE SHOW. A copy of the health certificate must be mailed with the entry form. Vet check will start at 7:30 a.m. and end at 10:00 a.m. This show is sanctioned by the American Dairy Goat Association and is open only to animals that are registered in the following associations: ADGA, AGS, and DGS. ADGA rules shall govern. The Junior and Senior shows are not separately sanctioned.

READ AND FOLLOW ALL RULES:

1. Entry fee is \$3.75 per entry per class. Make checks payable to the Otsego County Fair.
2. Pen fee is \$3 a pen, if we can accommodate pen requests. Be prepared to show off your trailer.
3. The base date for computing the age is the day of the show.
4. The original registration certificate is required for all animals six months of age or older and must be shown to the Show Secretary before the start of show. The original registration or duplicate registry application stamped by ADGA is required on all animals under six months of age.
5. Current health papers are required.
6. There will be no pre-show milk out.
7. No bucks to the show, with the exception of meat goat buck kids.
8. An exhibitor may enter as many animals per class as he/she pays entry fee for, but may only receive two premiums per class-ribbons awarded as judged.
9. Animals shown in group classes must have been shown in individual classes.
10. A family may show as one exhibitor or members of a family may show as individual exhibitors.
11. Exhibitors must follow standards printed in front of this book. BREEDS-must be a recognized Dairy Goat breed. The show will follow this order until the breed is complete.
12. There will be designated parking for the Open Goat Show.
13. Meat goat show to follow Dairy Goat show.
14. Fiber goat show to follow Meat Goats.

Section 11-Market Goats

Class #30: Meat Goat Lightweight Market Kid
Class #31: Meat Goat Heavyweight Market Kid
Class #32: Dam & daughter

- a. Goats can be either castrated male or female kids (NO ADULT TEETH) that have competed in a meat goat class at a county level or been quality endorsed by a 4-H Cornell Cooperative Extension Youth Educator or other authorized representative of a qualified youth organization.
- b. Any doe kid showing in this class may not show in Classes #1000-1001 and will be judged as a market animal.

Market kid classes will be assigned based on weigh-ins or split by the superintendent based on numbers (please see superintendent on date and time). Champion and Reserve Market Kid will be selected from the 1st and 2nd place entries in Classes #1030-1031. Best of Show will be selected from the Champion/Reserve Champion Junior Does, Senior Does, and Market Kid. How the Market Classes are split is at the superintendent's discretion and their decision will be final.

Section 12-FIBER GOATS:

Fiber goats must be either Does or castrated male

Class #01-0 under 4 months

Class #02-4 months to less than 8 months

Class #03-all over 8 months

Champion /Reserve Champion Fiber goat will be selected from 1st , 2nd place animals each class.

DEPARTMENT D- RABBITS
JESSICA POWERS—SUPERINTENDENT

Stall Decorating Contest Theme: Back to roots and cowboy boots.

Entry Fee: \$1.00 per entry per class. Entry forms must be submitted to entry clerk by July 12, 2025.

Exhibitors must include \$6.00 for exhibitor ticket.

1. Open to registered or grade stock. Breeds to be determined by the judge. This rabbit show is not sanctioned but ARBA Standards will be followed as best as possible.

2. Exhibitors must furnish metal feed dishes and waterers. Feed cages will be furnished on a first-come, first-served basis.

3. Exhibitors must care for their own rabbits (unless otherwise arranged) or else forfeit premiums.

4. Animals must have permanent tattoo in ear. Temporary tattoos may be accepted based on the situation. Contact the superintendent if there are issues with getting tattoos.

5. All entries must be in place by 7:00 pm on Monday.

6. All entries must remain in place until release time 8:00 pm Sunday.

7. Corrections will be allowed until 9:00pm day before Fair starts. No exceptions. ALL PAPERS FOR THE SHOW MUST BE GIVEN TO SUPERINTENDENT BY 9:00PM MONDAY (unless exhibitors are coming in day of show). The judge has the right to move a rabbit to another class.

8. All out of county exhibitors must have rabbits in place 2 hours prior to the show (Carrying cages). ALL PAPERS FOR SHOW MUST BE COMPLETED 2 HOURS PRIOR TO SHOW.

9. Any protest over the Rabbit Show should be brought to the Committee's attention within 15 minutes – so the Judge will be present.

10. Owners will be responsible for securing doors on cages. Locks are recommended but not mandatory. The Committee will not be responsible for rabbits getting loose.

11. All exhibits must be clean and ready each morning 9:00 am.

12. Rabbits for sale must be entered and exhibited and remain in place until 8 pm on Sunday. All rabbits may be removed after 8:00 pm, the day the Fair closes. Anyone leaving without a release from the Superintendent forfeits their premiums. ALL CAGES AND SURROUNDING AREA MUST BE CLEANED AND INSPECTED BY THE SUPERINTENDENT. IF AN EXHIBITOR LEAVES WITHOUT DOING THIS, THEY WILL NOT BE ALLOWED TO SHOW THE FOLLOWING YEAR.

13. Only rabbits entered may be shown/sold. Switching/substituting allowed if superintendent is notified by 9pm on Monday.

14. Two entries per class, 15 **TOTAL** entries per exhibiter. Meat rabbits are included in the total number of animals.

PREMIUMS: 1st - \$4, 2nd - \$3, 3rd - \$2

No premiums are given for Best of Variety or Reserve Best of Variety. Best of Breed and Best Opposite will be selected from class winners. Best in Show and Reserve Best in Show will be awarded amongst all Best of Breed winners. No premiums are given for Best of Variety or Reserve Best of Variety. Rabbits in the Crossbreed class or Meat Class are not eligible for Best of Breed, Best Opposite, Best in Show and Reserve Best in Show.

Section 4: Meat Rabbit Classes

Minimum weight 3.5 lbs. Meat class exhibits may be either crossbred or purebred but may **NOT** have been shown in any other class. Classes are as follows:

Class 1: **Roaster Class:** All rabbits entered in this class must be under six months of age; maximum weight eight pounds, minimum weight five and a half pounds. Exhibitors may show two rabbits in the roaster class.

Class 2: **Stewer Class:** All rabbits entered in this class must be six months of age and over; minimum weight eight pounds. Exhibitors may show two rabbits in the stewer class.

Class 3: **Single Fryer Class:** All rabbits entered in this class may not be over ten weeks of age; maximum weight 3.5-5.5 pounds. May come from your meat pens. Exhibitors may show two rabbits in the single fryer class.

DEPARTMENT F—SWINE CINDY POWERS – SUPERINTENDENT

Stall Decorating Contest Theme: Back to roots and cowboy boots.

RULES AND REGULATIONS

1. Entries in this department close on July 12, 2025. There will be absolutely no entries after that date.
2. Entry Fee: \$2.00 per entry in each class. Exhibitors must include \$6.00 for exhibitor ticket.
3. Pen fee is \$3 a pen.
4. Competition is open to exhibitors in Otsego County and any other county open to Otsego County swine exhibitors.
5. The Otsego County Fair Association, Inc., assumes no responsibilities in case of injury, loss, theft, or damages to stock or other exhibits, from any cause, and upon this condition only are entries received; and the Association will not assume any liability for personal injury sustained by exhibitors, helpers, visitors, or guests.
6. The Association reserved the right to accept or reject any entry, and to return any entry fee before the opening or judging of the show without being liable for compensation.
7. Each exhibitor must conform to the livestock health regulations of the Department of Agriculture and Markets as specified at the beginning of this book.
8. NO BOARS ALLOWED
9. No animals will be unloaded or penned unless they are accompanied by a certificate indicating freedom from any contagious or infectious disease and checked by the State Veterinarian or Swine Superintendent.
10. Exhibitor is limited to no more than two (2) entries per class.
11. Judging for female classes will be done in all registered and crossbred.
12. Market hogs exhibited may be purebred or crossbred barrows or gilts.
13. Market hogs must be weighed on the fairgrounds in order to be shown.
14. Sow with litters: A class for sow and their litters shall be judged. Entries may be purebred or crossbred. The litters should not be more than six (6) weeks old. Judging shall be based on 50% on the sow and 50% on her litter.
15. All animals must have official ID as described in ANIMAL HEALTH REQUIREMENTS SECTION of this book.
16. All exhibits shall be clean and ready each morning no later than 9:00 am.
17. Any other registered breed, not listed, that has two or more exhibitors of any one breed, a new section will be added for the show.
18. Hogs maybe entered in EITHER a breeding OR Market class, but not both.

PREMIUMS:

1st - \$9; 2nd - \$7; 3rd - \$5; 4th - \$4
Ribbons given up to 6th place.

]

Sections:

1. Duroc

2. Hampshire
3. Spotted
4. York
5. Hereford
6. Any Other Registered Breed
7. Crossbreed

BREEDING CLASSES

GILTS

DEPARTMENT P—POULTRY
Cara LaTour—SUPERINTENDENT

Rules and Regulations

1. Entries must be made with entry clerk per entry clerk's calendar.
2. This department will accept entries from exhibitors who live in Otsego County & the neighboring fairs that are open to Otsego County.
3. Entries will be accepted on a first come, first serve basis. Maximum number of entries to be accepted in all sections of this department will be determined by the number of cages available. No exceptions will be made. Waterfowl will be limited to the available space/
4. A cock is a male bird over one year, a hen is a female bird one year, a cockerel is male bird 3 months to one year, a pullet is a female bird 3 months to one year. An Old Trio is 1 year and over, a Young Trio is 3 months to one year.
5. All poultry entered for premiums must be entered in the name of the owner, such ownership to have existed at least 30 days previous to the time of showing.
6. All standard poultry will be judged by expert judges in accordance with the latest edition of the American Standard of Perfection and premiums allowed only on varieties mentioned herein. In order to avoid confusion and criticism from the State Department of Agriculture it will be necessary for exhibitors to write name of variety as well as breed of poultry.
7. Superintendents are authorized to exclude all exhibits showing a diseased or parasite condition.
8. Price for entries will be \$1.00 per entry, \$2.00 per pair that includes coop & space rental. Superintendent will assign locations for exhibits.
9. May enter multiple birds in one class but no exhibitor shall be allowed to receive more than two premiums for any one class.
10. No judge shall be permitted to enter exhibits in competition for premiums in the department with which they are connected.
11. All birds must be in their natural condition and in good health. The pulling of stubs, or false feathers, bleaching of feathers, removal of side springs, or any other method of faking is not permitted and if discovered will debar the exhibitor from the show.
12. Competent people will be in charge, but no responsibility will be assumed by the management for any loss or damage, birds being entered at the sole risk of the owner. Any bird showing signs of sickness will be isolated and possibly removed from Fairgrounds.
13. No birds or animals can be removed until 8:00 p.m. Sunday evening or Monday 8:00 a.m. til 12:00 p.m. Fair Association is not responsible for any poultry or pet stock on the grounds after 1:00 p.m. on Monday following the fair.
14. Birds will be received Monday 8:00 a.m. -8:00 p.m. All exhibits must be in place by 8:00 p.m. Monday.
15. Exhibitors are responsible for feeding, watering and care of their birds and maintaining a clean and attractive exhibit for the public.
16. Exhibitors are responsible for cleaning out cages and exhibits and must get a release slip before leaving the grounds. Failure to do so will revoke premiums.
17. Exhibitors, upon release from the fair, are advised to follow animal health precautions

SPECIAL OTSEGO COUNTY AWARDS

The Otsego County Fair Association will award a rosette for the following exhibits:

Large Fancy—Best Cockerel, Best Pullet

Large Fancy—Best Cock, Best Hen

Bantams—Best Cockerel, Best Pullet

Best Large Waterfowl

Best Small Waterfowl

Bantams-Best Cock, Best Hen

Grand Champions will be displayed in special cages, so designated in the poultry building

SECTION 19-CLASS 1

"TWILIGHT" ROOSTER CROWING CONTEST

Wednesday 7:00 p.m.

Otsego County Fair Championship

Otsego County Fair offers \$30.00 in prizes to be divided as follows: \$10.00 for first place; \$8.00 for second place; \$6.00 for third place; \$4.00 for fourth place; and \$2.00 for fifth place.

Contest will be based solely on the number of “crows” recorded during specified periods and not the volume, tone or musical quality. The male having the most crows recorded to his credit at the end, will be declared Champion. This contest has much practical value, as crowing indicates vim and vigor. Crowing contests have been a feature of Brussels, Belgium shows for many years, the theory being that the lustily crowing male is a worthy mate for the thrifty laying hen. All breeds and varieties of poultry entered in the regular classes are eligible. No entry fee is charged. No more than two males may be entered by one exhibitor. Exhibitor is to be present and is responsible for seeing their bird(s) are placed in competition and

returned to their own coops. Superintendent to determine cooping arrangements in this event. Entry fee is 10% of First Premium in this section.

SECTION 20-PIGEONS

COUNTRY STORE

DORA COOKE AND MARCIA REHRMANN—SUPERINTENDENT

CLEMENTINE DEFOREST—TREASURER

STORE HOURS: WED- SAT: 10 AM- 10 PM; SUN: 12 NOON- 8 PM

Items exhibited in Canham Building cannot be offered for sale or purchased by visitors. In 1965 the Country Store was established so that fair-goers could purchase the type of crafts, clothing, baby items, toys, plants and other hand-made goods similar to those entered in the fair for prizes and blue ribbons. Anyone having items for sale may place them in the Country Store on consignment. Each item must be new, made or grown by the individual consignor.

Consignments may be brought in Sunday from 1:00 pm-5:00 pm or Monday 10 am-12:00 pm. No merchandise will be accepted after the store opens Tuesday.

Obtain inventory sheet for listing your items as well as a store number by calling one of the numbers listed at the bottom. On the inventory sheet, print your name, address, telephone number and put your store number in red (and circled) in the upper right hand corner of your sheet. List each item separately, one per line, number each item, name the item and give a brief description as to color, size, etc. and the price. Make a copy of your sheet (S) for yourself before you bring it with your items.

Make a tag for each item, using all information shown above (item number, item description, etc., price and your store number, in red and circled). Please do not use sticky tags or straight pins. Fasten the tag SECURELY on the corresponding item. This tag will be removed and kept at the time of sale. Tags should be easy to remove. If you wish to place a second tag identifying yourself or your business or providing care instruction, etc. you may do so. This second tag will not be removed.

The Country Store retains a commission according to the number of shifts worked during fair week. We will retain 10% for two (2) or more shifts, 20% for one (1) shift and 30% if no shifts are worked. A shift consists of four (4) hours. You may sign up at the check-in desk for the shifts you can work. Please work if you can. All commissions you pay are used for upkeep of Canham Building.

No merchandise will be sold after 8:00 p.m. Sunday. NO Merchandise can be collected or packed up before 8 pm Sunday. Merchandise can also be picked up from 10am – 12 noon on Monday morning. Any merchandise left after 12 noon the Monday after the Fair closes will become the property of the Fair and will be disposed of at their discretion. If you send a second party to pick up your merchandise, please provide them with written permission to collect your items and money.

The Country Store is not responsible for lost or stolen items.

Need more information? Call Dora Cooke (607) 547-8321 or Marcia Rehrmann (607) 263-5563

DEPARTMENT W—ANTIQUES AND COLLECTIBLES

—SUPERINTENDENT

RULES

1. All exhibitors must read and adhere to the general rules as published in the front of this publication. Entries close as outlined in the Entry Clerk's calendar and must be in name of bona fide owner.
2. All exhibits to be in place by 12:00 noon on Monday and cannot be removed before 8 pm Sunday.
3. Entries may be brought in on Sunday from 1 pm-5 pm and Monday from 8am to 12pm.
4. All entries should be correctly classified.
5. Owner must place his exhibitor number on all pieces contained in a collection, or wherever more than one item is used in an exhibit, on the back whenever possible.
6. Article should have a card attached, plainly written, giving if possible, age and history of the exhibit, or any information which will be of interest. Best condition and documented age may be considered when judging.
7. If an antique object requires two units as it is normally used, it must be displayed in that manner. For example: a cup and saucer is one entry. If a pair is listed it is one entry.
8. Collections must be made of articles not competing for other premiums. They will be accepted in display boxes, on boards, etc.
9. Only one entry will be permitted per class.
10. At the discretion of the Superintendent, collections or exhibits may be limited due to space.
11. The same item cannot be judged two years in a row regardless of claimed ownership. Best of Show winning items cannot return for judging in less than ten years.
12. Judges at their discretion may determine that there will be no 1st in any given class.
13. Judges at their discretion may issue more than one 1st, 2nd, and 3rd, in the following: Section I, Class 41; Section II, Class 36; Section III, Class 29; and Section IV.
14. It is in the exhibitor's own best interest to secure small or valuable loose items on a board, in a display case, frame or box, etc. to help prevent theft, damage or personal injury.
15. **If you are entering please contact Caren about signing up to cover a time the week of fair.**
16. Entry fees are \$0.50.

OTSEGO COUNTY FAIR TRACTOR PULLING RULES

ENTRY FEE FOR ALL CLASSES IS \$20.00 PAYABLE AT THE TIME OF ENTRY.

OFFICIAL DRIVER MUST BE IN SEAT OF TRACTOR AT TIME OF WEIGHING.

OFFICIAL WEIGH-IN IS MADE IMMEDIATELY AFTER TRACTOR HAS BEEN PULLED.

CLASSIFICATIONS-ALL TRACTORS WILL BE CLASSIFIED ACCORDING TO WEIGHT ONLY

TRACTOR DRIVE ONLY WILL HAVE FREE ENTRY INTO ALL OVERS PAY GATE FREES.

GENERAL REQUIREMENTS

1. Rubber tires required. No four-wheel drive tractors allowed. No dual tires, studs, or chains are permitted. All power must be transmitted through rear wheels.
2. Pullers must be at least 16 years of age. No pullers under the age of 18 years will be allowed to pull without a parent or guardians written consent.
3. All tractors must have a hood and grill
4. All tractors must be equipped with workable rear brakes.
5. Drawbars must be stationary in all directions. Maximum drawbar height is 20" from top of hitching device parallel to ground. The minimum drawbar length is 20" from center of rear axle to point of hook. Hitching devices on drawbar can be no less than ½" thick and no more than 1 ½" thick with a 3 ½" diameter opening. The pulling point may not be more than 2" from the back of the hitching device. No two or three point hitch drawbar allowed, unless that's factory hitch still must meet height requirement.
6. Drivers must supply their own ¾" clevis or hitching ring with at least 3"x3 ½" hole.
7. All exhaust discharge to be a minimum of 20" **FROM EXHAUST MANIFOLD.**
8. Only one installed turbocharger is allowed on any tractor and must be adequately shielded.
9. Tractors with cut or shaped tires will be allowed, up to 20.8 x 38in Hot Farm only.
10. Wheel weights and brackets shall not extend more than 12" from rear tires. Suitcase weights may be secured to a sturdy bracket on rear of tractor. Weights must not extend more than 6" behind farthest rear factory point of tractor excluding hitch.
11. Suitcase weights may be secured to a sturdy bracket on the front of the tractor but not to extend more than 24" from farthest point of frame
12. Tractors may use "belly bar" brackets for securing suitcase or wheel weights.
13. No portion of tractor or weights may interfere with sled or hitching of sled
14. No protruding bolts shall extend more than 8" from wheel.
15. No one-Front Wheel tractors allowed except "factory made" or better.
16. Only original tractor block not truck motor blocks.

Safety and Tractor Operations

1. **No alcoholic beverages will be allowed.**
2. Bottom of front tires will not be allowed to rise more than 36" off the ground. Determination of height will be decided by the judge's eye where wheel bars are not present. The decision of the judge will be final. Contestant's pull will be measured from the point at which he is stopped. This is for tractors not equip with wheelie bars.
3. Tractors must be operated in a safe manner at all times.

4. Operators must remain in their seats during the pull and have complete control of the tractor at all times.
5. No drivers will be allowed to pull under the influence of alcohol, drugs or any medication that impairs ability.
6. No weights may be placed on seat, footrest, or platform of tractor.
7. Contest will be governed by judge(s) with all decisions final. Judge(s) have the right to stop and disqualify any tractor if it is operated in such a manner as to be considered unsafe.
8. All tractors must be in neutral or park transmission selector while being hitched or unhitched from sled.

Contest Rules

1. Only one pull allowed per tractor in class unless a tie is declared. Once past the 50' mark, official pull will be counted.
2. If a pull-off occurs, contestants have only one attempt to move the sled. Contestants must pull-off, not splitting of positions. Judge(s) decision will be final.
3. All pull start from a tight hitch. No jerking is allowed. If the first attempt is stopped at 50' or under, contestants will be allowed a second attempt to start sled and/or change gear selection.
4. All drivers will obey flagman's signals and tractors must stop immediately up on signal from flagman. No hole digging is allowed.
5. Tractors must remain within boundary lines of tract during pull or they will be disqualified.
6. The first contestant in each class will only pull in third position if sled adjustments are necessary.
7. The pull shall be considered over when forward motion of the sled stops.
8. Any ballast, weights, or external parts lost while hooked to sled will cause disqualification.
9. Tractors will be weighed with driver immediately before the official pull. Drivers will take tractor from weighing station to staging area for pull in process. Judge(s) have the right to weigh and measure any tractor after they pull. Drivers will be responsible for having tractors within weight limit or be disqualified. A random check of weight and hitch may be conducted after pulling at the discretion of the Association
10. Each contestant must sign a statement relieving the Otsego County Fair Association, Inc along with others stated within the release form of any liability in case of accident or personal injury.
11. Operator Must be 18 years old to participate in alter farm
12. Hitch must be 3 ½" long and 3" wind

Antique (Paced Tractors)

- 1 Same rules as other classes except: Tractor and drive train must be manufactured prior to 1960
- 2 Must be STOCK appearing.
- 3 No Cut tires
- 4 Must have WORKING governor.
- 5 Engine RPM not to exceed 2200 rpm (Antiques exceeding 2200 rpm, may jump to appropriate class in "Out of Field")

Out of Field

1. Any tire size may be used for any and all classes
2. No alcohol, other racing fuel, or pressurized fuel is allowed except on manufactured LP gas tractor.
3. Factory engine blocks.

Alter Farm (Saturday Night)**Classes****5500 lb.****6500 lb.**

1. Tractors in these classes may use "belly bar" brackets for securing suitcase or wheel weights ahead of rear axle.
2. All tractors must have stabilizer or "wheelie bars" which meet the following specifications: Should be 10" behind the point of contact of the ground and the tires and no more than 8" off the ground with at least a 5" square pad capable of supporting the weight of the tractor. All "wheelie bars" must separate from hitch.
3. Tractors must have "kill switches" for connection to the sled. All ignition systems must have switch in working order and all diesel ignition engines must have an air shut-off valve control, both to be within easy reach of driver and/or sled.
4. Tractors must have engine side shields, minimum 1/8th thickness.
5. Tractors must have a 6 strap safety blanket for the fly wheel and clutch or same incased with a steel ¼" thickness.
6. One turbo charger is allowed and must be adequately shielded.
7. Tractors must be stock appearing and equipped with a hood, grill, etc.
8. Wide front ends, seat belts, and fenders will be required.
9. Up to 3 inch unaltered Turbo
10. Must have cross X on exhaust side, 2" from the turbo.

PRIZES AND CLASSES

1st \$75, 2nd \$50, 3rd \$30 for all Antique and Out of Field

Trophies will be given for class

If there is less then 5 Payback 3rd Place Money will be given

Weight Classes

Antique 3 mph Paced	Out of Field 6 mph Paced	NON-Paced
4500 lb (15.5x38)	5500 lb	5500lb
5500 lb (15.5x38)	6500 lb	6500lb
6500 lb (15.5x38)	7500 lb	8500lb
	8500 lb	
	9500 lb	
	10,500 lb (weight subject to change for Heavy tractors that come for this class)	
Antique 6 mph Paced		
7500 lb (18.4x38)		
8500 lb (18.4x38)		

Additional Classes may be added depending on time.

All classed will be run depending on the start time and weather conditions.

The Fair will make the final decision in regards to this event.

FOUR WHEEL DRIVE TRUCK COUNTY FAIR PULLING ASSOCIATION RULE BOOK

Please read all rules and the enclosed registration sheet.

- 1.** Registration will close 30 minutes before the listed start time.
- 2.** Driver **ONLY** will be admitted to the pit area at NO CHARGE. All others entering the pit will be required to pay admission fee and sign insurance release waiver.
- 3.** Entry Fee \$30.00 cash only (no check, credit or debit).
- 4.** Truck may be entered only once per class unless otherwise stated by the Director of Competition (no multiple drivers).
- 5. NO TEST HOOK.** If the sled is reset all pullers who previously pulled will re-hook immediately. Floating finish line may be used at the discretion of the Competition Director.
- 6.** Any truck that is not in line and ready to pull when called will be immediately disqualified. No refunds.
- 7.** Any competition vehicle MAY be required to undergo an additional weigh in or tech inspection at any time at the sole discretion of the Competition Director or Head Tech Inspector.
- 8.** ALL drivers are required to attend the drivers meeting prior to the event. (No exceptions)
- 9.** Competitor has 2 attempts at pulling, unless the first attempt exceeds 75 feet. In the event of a pull off the 75 foot rule does not apply, and it will be a floating finish line.
- 10.** 4 Truck minimum, if there are less than 4 trucks 3rd place money will be given.

CLASSES:

7000LB Workstock Gas

6800LB Altered Workstock Gas

9000LB Workstock Diesel

6500LB Enhanced Gas

8500LB Open Diesel

6200LB Superstock Gas

8000LB 2.6 Diesel

Rules-weights are subject to change due to class participation.

TROPHIES WILL BE AWARDED FOR 1st, 2nd, and 3rd PLACES

3rd Place money will be given to classes with less than 4 trucks registered.

Payouts:

1st \$100, 2nd \$75, 3rd \$50, for Workstock Classes

1st \$150, 2nd \$100, 3rd \$50, for Intermediate Classes

1st 200, 2nd \$125, 3rd \$50, for Modified Classes

7000LB Workstock Gas

1. **The Street Legal Gas** class is designed for daily driven, on the road pickup trucks (full-bodied gas pickup truck). Valid DOT registration, license plates, insurance, and matching valid state inspection the state the vehicle is registered are mandatory. No dealer, repair, farm, or temporary plates allowed. The vehicle must be four-wheel drive.
2. **Ballast:** Ballast is permitted. Hanging front weights are prohibited. Ballast may be added in the bed of the truck only, no hidden weight or ballast in the cab. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official.
3. **Batteries:** The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
4. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain all original sheet metal after- market hoods are permitted. The complete OEM firewall and OEM floor pan is mandatory.
5. **Brakes:** Four-wheel hydraulic brakes are mandatory and must be functional.
6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, back half conversions, tube chassis, etc. are prohibited.
7. **Cooling System:** Radiators must be in the stock location and must be of at least stock size.
8. **Credentials:** All drivers must have a current valid state driver's license and registration.
9. **Driveline:** An OEM transmission and transfer case are mandatory. They must have been an option on a one-ton or smaller pickup. Front and rear axles must also be from a one-ton or smaller pickup (no 5/4 ton axles).
10. **Driver Restraint System:** The OEM restraint system is mandatory and must be worn.

11. **Engine:** Maximum engine size is 500 cubic inch and must be correct manufacturer and size that was a factory available option for that year and make. Engine cannot be bored more than .030 over stock diameter. Engine cannot be stroked, must retain stock stroke. Only type intake manifold and one single feed four-barrel carburetor limited to 750 cfm maximum. No aluminum heads or aluminum engine blocks unless equipped from the factory. No nitrous oxide allowed and any nitrous bottles must be removed. Air cleaner in the stock location is a must and hood cannot be cut/altered to allow protrusion of the air cleaner. Factory fuel injection body system allowed.

12. **Engine** must be naturally aspirated unless otherwise equipped from the factory (i.e. Ford Ecoboost).

13. **Exhaust:** Exhaust must exit behind rear tiers. No open exhaust allowed. Muffler is a must. Exhaust must pass state inspection standards for noise level. Exhaust must also pass state inspection emissions regulations if applicable. Aftermarket headers with a tube size of 1.75" diameter or less are allowed on small blecks only.

14. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted and it is recommended that it be within easy reach of the driver.

15. **Fuel:** Maximum 93 octane pump gas only; higher octane fuel, race fuel, methanol, or any octane boosters/additives are prohibited. Judgement call of the tech official regarding if prohibited fuels are smelled when going over the scales or competing, so if you ran race fuel in the past be sure to flush your tank.

16. **Fuel System:** The OEM fuel tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

17. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted.

Reinforcements must not extend forward of the centerline of the rear axle. The hooking point must be in the rear most point on the vehicle and must be rearward of the stock location of the tailgate. When backing into a vertical wall, the hitch point must be the first thing to hit before the bumper, bed, or

other parts of the truck body. The hitch must be horizontal to the ground and stationary in all directions.

18. **Bumpers:** May be notched but must be retained. The hitch's height from the ground may not exceed 26 inches. The hooking point must have a minimum 3.5 x 3.75 inch inside diameter opening for the sled hook.

19. **Ignition:** Must utilize the stock ignition system or a distributor style aftermarket system.

Aftermarket ignition boxes are prohibited.

20. **Interior:** A complete interior, including dashboard, door panels, headliners, etc., is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, windshield wipers, etc.) must be retained and be operative. The uses of hand-throttle controls are prohibited.

21. **Rear End:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up.

22. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped.

23. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

24. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be operative. Complete OEM windshield and windows are mandatory.

25. **Windows:** Must be operative per factory specifications: that is, they must open and close via OEM electrical or mechanical means.

26. **Suspension Front:** The upper mounting point for strut assemblies must be in the factory location. Adjustable caster/camber pillow ball mounts are permitted. The lower control arm may be strengthened provided factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Front traction bars are prohibited.

27. **Suspension, Rear:** An OEM-style suspension is mandatory. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are prohibited with at least 2" of suspension compression from ride height. Air bag spring assistance is prohibited; air bag compressors must be disconnected.
28. **Rear traction bars or ladder bars are PERMITTED.** This is for Safety: Half ton ONLY!!!!
29. **Tires:** The tires must be DOT approved tires. Cut tires, studded tires and tire chains are prohibited. Dual rear wheels are prohibited.
30. **Torque Converter:** Lock up torque converter boxes and controllers are prohibited.
31. **Transfer Case:** Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.
32. **Wheelbase:** The vehicle must retain the original factory wheelbase and track width.
33. Front and rear wheels must have same wheel offset. Final decision resides Fair Tech Officials.
34. No jumping up to next class.
35. Vehicle must be driven into the Fair grounds.

6800LB Altered Work Stock Gas

This class is setup for the grey area trucks that may be underbuilt for the “Enhanced Gas Class” but are overbuilt for the regular “Work Stock Gas Class”. Truck must still be registered, inspected, and insured. Truck **must** still drive into the fairgrounds.

1 BODY: Body must be a complete OEM truck body. Must have a complete factory truck bed, including sheet metal floor and bed sides. Cab must have a complete interior, including a factory seat. Front fenders may be trimmed for tire clearance, but must have factory inner fender wells f. Must have a hood and hood must remain latched while competing.

2 BALLAST: Ballast is permitted. Hanging front weight is prohibited. Ballast may be added in the bed of the truck only. No hidden weight or ballast in the cab.

3 Batteries: Batteries must securely mounted in the factory location. No additional batteries may be added in other locations.

4 Brakes: Factory functioning 4 wheel brakes are mandatory.

5 Chassis: OEM ½, ¾, or 1 ton frame is mandatory. Full length of factory frame is required. Back half conversions or tube chassis are prohibited. Engine must be mounted in factory location on frame.

6 Driveline: OEM transmission and transfer case are required. OEM Front and Rear Axles are required. All Driveline components must be from 1 ton or smaller pickups.

7 Engine: Engine must be naturally aspirated. Factory intake manifolds only. Factory exhaust manifold only. Factory cast iron cylinder heads only.

8 Carburetors: Single feed factory flange 750CFM or smaller carburetors only. No Dominators or Dominator flange carbs.

9 Exhaust: Factory cast iron exhaust manifolds are required. NO HEADERS. Mufflers are mandatory and exhaust must extend at least behind the cab.

10 Fuel system: Factory fuel tank requires. No fuel cells. ALL fuels are permitted. Electric fuel pumps not connected to key switch must have switch clearly marked

11 Suspension: Front and Rear suspension must meet all the requirements listed in “Work Stock Gas” class. No traction bars.

12 Tires and wheels: No Cut, altered, studded, Duals, or tire chains. DOT rated tires and wheels only. Maximum tire size of 35x12.5.

13 Hitch: OEM style, Manufacturer built Class 3 hitches only. No Altered hitch angles. No drawbars. No custom built hitches. Fixed Horizontal clevises only, with a minimum hole size of 3.5”X3.75”. Maximum of 26” hitch height. Clevis must extend past the furthest point of the body.

6500 lb. ENHANCED GAS

- 1. MANDATORY:** All drivers must have a current valid state driver's license.
- 2.** Class weight is **MAXIMUM** 6,500 lbs with driver.
- 3. Ballast:** Ballast is permitted. All ballast must be behind the front grill or securely mounted in rear bed.
Ballast in cab permitted if secure.
- 4. Batteries:** The batteries must be securely mounted. They cannot be in the driver compartment or forward of the radiator core support.
- 5. Body:** The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal aftermarket hoods are permitted. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. Must have hood, grill, and fenders in place as intended by manufacturer.
- 6.** Complete OEM firewall with no hole are required.
- 7. Bumpers:** Front bumpers must be unaltered OEM or equivalent. No homemade bumpers allowed. Brush guards or lower plow frames are allowed as long as they appear unaltered.
- 8. Brakes:** Four-wheel hydraulic brakes are mandatory.
- 9. Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc. are prohibited.
- 10. Cooling System:** Radiators must be in the vicinity of the stock location and be of at least stock size.
- 11. Driveline:** An OEM transmission and transfer case is mandatory. They must have been an option on a one-ton or smaller pickup.
- 12. Driver Restraint System:** The OEM restraint system is mandatory and must be worn.
- 13. Driveshaft Loops:** All trucks must have a minimum of six-inch wide u-joint shields around the rear and the front u-joints constructed of at least 1/4 inch steel or 3/8-inch aluminum that will safely contain

the u-joints and the end of the rear shaft. Chain safety loops are not permitted. Drive shafts must have at least two loops on each shaft with a minimum of 3/4" wide and 1/8" thick steel or 1/4" aluminum with a minimum of 2" clearance.

14. Engine: The engine block must have been available as a factory option on a one-ton or smaller pickup truck. Blocks must circulate coolant freely. Water pumps must be present, but may be powered electrically. The use of concrete or other block fillers is prohibited. All factory belt driven accessories, excluding the air conditioning compressor, must be retained and powered via the crankshaft by a standard serpentine or "V" belt. Electric fans are permitted. Aftermarket radiator assemblies are permitted, but must be securely mounted in the same area as the OEM unit.

15. Aftermarket cast blocks allowed, Aftermarket intakes allowed. Single piece 4-barrel carburetor limited to a 4150 style base. No dominators or split carburetors allowed. Engine driven fans require 360-degree metal shielding. Aluminum heads allowed on small block engines ONLY!

16. Exhaust: Must exit behind cab. Open exhaust is permitted.

17. Fire Extinguisher System: A minimum of a 2lb fire extinguisher must be loaded and in the vehicle.

18. Fuel: Race fuel is permitted.

19. Hitch: Class 3 hitch required. Hitch pin may be no smaller than grade 8 5/8" pin/bolt. Must be attached to the frame only including bracing and supports. No bracing or supports can be attached to the body, Axle, or the suspension. Hook point cannot exceed 26" from the ground. Hook point of hitch must be the furthest point back of the truck. Sled stops are the only thing that may extend rearward of the hitch. Clevis hole must be 3" x 3 3/4."

20. Interior: No batteries, water hoses, fuel lines allowed in cab.

21. Nitrous Oxide: Propane AND THE USE OF OTHER OXYGEN EXTENDERS ARE PROHIBITED. All system components MUST be removed.

22. Rear End: Non-OEM rear-ends housings are prohibited. The rear end must have been an option on a

1-ton or smaller truck. Rear axle bolts to be covered by a cap or shield.

23. Safety: All trucks must have a working kill switch with a minimum of a 2" round diameter ring.

Located in the rear center of the truck easy to reach and free from the chain and draw bar. When pulled must kill all power to the ignition and fuel pump.

24. Drivers must wear a helmet. All other safety and general rules must be followed.

25. Steering: The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

26. Suspension: The factory suspension configuration must be retained. The upper mounting point for strut assemblies must be in the factory location.

27. Adjustable caster/camber: Pillow ball mounts are permitted. The lower control arm may be strengthened provide factory-mounting points to chassis are maintained. The lower mounting point for the strut assembly may be modified for improved caster or camber. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

28. Suspension, Rear: An OEM-style suspension is mandatory. Traction bars and devices are permitted; they must be bolt on only; welds are permitted for attachment to frame or axle housing. Control arms may be strengthened or replaced, provided all original mounting points are retained. Strut tower braces, lower tie bars, sway bars, limit straps, and camber kits are permitted. The rear suspension may be bolted solid to eliminate travel. Blocking of the rear suspension is permitted.

29. Tires: The tires must be DOT street tires. Cut/Altered tires are prohibited.

30. Transfer Case: Non-OEM transfer cases are prohibited. It must have been an option on a one-ton or smaller pickup truck.

31. Transmission: Must be from a passenger vehicle rated one ton or less. All trucks require a reverse light. Automatic transmissions require a 3 strap SFI approved blanket or a Fair approved Kevlar shield.

Manual transmissions require an Fair approved bell housing.

32. Wheelbase: The vehicle must retain the original factory wheelbase and track width. Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials

6200 LB SUPER STOCK GAS- RULES

1. Max weight of vehicle and driver to be 6200 pounds.
2. Radiators must be maintained and ahead of engine
3. Engine must be behind grill.
4. Dry sump oiling systems permitted.
5. Headers can be upright or downward, open exhaust permitted.
6. Tube frames and modified OEM frames are permitted.
7. Max wheel base 135".
8. DOT street tires- but may be altered. No bar tires permitted
9. Trucks must have working kill switches, driveline shielding, fire extinguishers, etc
10. Drivers must have fire extinguishers and wear seatbelts.
11. Fiberglass bodies permitted.

WORKSTOCK DIESEL

1. Class is 9000LB with driver
2. **Ballast:** Ballast is permitted, but only in bed of truck. No hidden weight anywhere on or in truck. If hidden weight is found, competitor will be disqualified and/or forfeit his/her entry fee.
3. **Batteries:** Batteries must be securely mounted. They may NOT be relocated or removed from factory location.
4. **Body:** Body must be OEM truck body; including bed floor. Only exceptions are aftermarket hoods and truck beds. Hoods must be latched securely latched while pulling aftermarket beds. If equipped with aftermarket bed; bed must weigh more than a factory box. Weight of bed will be at official discretion.
5. **Brakes:** Four wheel working brakes, in factory configuration are required.
6. **Chassis:** OEM Chassis is mandatory. Engine must be in OEM Location.
7. **Cooling Systems:** Radiators and intercoolers must be in factory location. Coolers must be of OEM size (official's discretion).
8. **Credentials:** All drivers must have valid driver's licenses. All vehicles must have valid registration, inspection, and insurance.
9. Driveline: OEM transmission/transercase for that year/model/make vehicle only.
10. Differential/Axles: Must be OEM, correct for year/make/model.
11. Steering: Steering must be OEM configuration for year/make/model with exception of up to (2) steering stabilizers.
12. **Suspension:** OEM suspension correct for year/make/model only. NO suspension stops other than factory equipment. No traction/ladder bars. No blocking solid. No materials may be added to limit suspension travel.
13. **Hitches:** Class 3-5 Hitches only. Receivers must be factory or OEM made and attached in factory intended location. No sliding/moving receivers forward on frame. No homemade receivers may be

used in this class. Hitches must have a hole no smaller than 3 ½" x 3 ¾." Hitch must be no higher than 26" from ground in a position that it would be in while hooked to transfer sled. Swinging clevises must be in a horizontal position and no more than 26" high when placed parallel with ground.

14. **Tires:** DOT approved tires only. No studs or chains.

15. **Nitrous Oxide/Propane:** NOS/propane/or any other oxygen extender is prohibited. All equipment used for these must be removed.

16. **Turbochargers:** OEM charger correct to year/make/model of vehicle must be used.

17. **Exhaust:** No Hood Stacks.

18. No jumping up to 2.5 class.

19. Vehicles must be driven into the fairgrounds.

8500 lbs. Open Diesel

1. Class weight is 8500 lbs. maximum with driver.
2. **Ballast:** Ballast is permitted. Hanging/hidden front weights are prohibited. Ballast may be added in the bed of the truck. If used, ballast must be securely fastened to the bed of the truck. Final decisions rest with the tech official. Ballast in cab is prohibited.
3. **Batteries:** The Batteries must be securely mounted. They may not be located in the driver compartment or forward of the radiator core support.
4. **Body:** The body must be OEM truck body, including the full bed floor. The body must retain all original sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and OEM floor pan is mandatory.
5. **Brakes:** Four –Wheel hydraulic brakes are mandatory and must be functional.
6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body being used. The vehicle must retain the full OEM chassis. Wheel tubs, backhalf conversions, tube chassis, etc are prohibited.
7. **Cooling Systems:** Radiators must be in the stock location and must be must be of at least stock size.
8. **Credentials:** All drivers must have a current valid driver's license.
9. **Driveline:** An OEM transmission and transfer case are mandatory.
They must have been an option on a one-ton or smaller pick up.
10. **Driver Restraint System:** The OEM restrain system is mandatory and must be worn. Helmet must be worn when pulling.
11. **Drive Shaft Loops:** All trucks must have a minimum of 6" wide U- joint shields around for rear U- Joint to accumulate points. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any U- joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must

be securely mounted to the vehicle.

12. **Engine:** The engine is limited to a stock appearing, OEM compression engine, available from the factory in a one ton or smaller truck. Cubic inch limit of 444 cu in.

13. **Blocks:** must circulate coolant freely. No hard-filled blocks. Water pumps may be electric or factory. All factory belt driven accessories, excluding air conditioner compressor must be retained and powered via the crankshaft by a standard serpentine or v belt or belts. Electric cooling fans are permitted. NO SIDE DRAFT/RUNNER STYLE INTAKES PERMITTED.

14. **Exhaust:** The exhaust must exit rearward of the driver's compartment. Stacks exiting through the hood or fender well are prohibited. If the muffler or catalytic converter have been changed from stock, two 3/8-inch diameter bolts must be installed through the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical. Upward exhaust required for all vehicles pulling for points.

15. **Fire Extinguisher System:** A fire extinguisher system is permitted. It must be securely mounted. All vehicles must have at least a 2 1/2 lb. fire extinguisher with working gauge mounted within drivers reach.

16. **Fuel:** The fuel must be pump #1 or #2 diesel only. Soy/Bio-diesel fuel is permitted.

17. **Fuel Injection Pump:** The fuel injection pump is limited to cylinder number specific (i.e. 6-cylinder pump on 6-cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. The P pumps that are allowed are the p3000 and the p7100. Ag governors are not allowed. No sigma or 12 cylinder pumps allowed.

18. **Fuel System:** The OEM tank is mandatory and must be used. Racing fuel cells are prohibited and must be removed from the vehicle.

19. **Harmonic Balancer:** All engines turning 4500 RPM and higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

20. **Hitch:** The hitch must be a receiver-style hitch; reinforcements are permitted.

21. **Reinforcements** must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. The hooking point may be no closer than 44" from the centerline of rear axle (will be measured where sled hook rests). The hitch must be horizontal to the ground and stationary in all directions. Bumper may be notched or removed. Hitch height from the ground may not exceed 26 inches. The hooking point must have a minimum 3x3.75 inches inside diameter opening for the sled hook. Trick hitches/drawbar styles are prohibited. Trick hitches will be determined by Fair tech official.

22. **Intercoolers:** Factory style or aftermarket air to air replacement only in the stock location. **AIR TO WATER INTERCOOLERS ARE PROHIBITED.** Any means of cooling the air before the engine is prohibited. **NO USE OF ICE OR WATER.**

23. **Interior:** A complete interior, including dashboard, door panels, headliners, etc. is mandatory. Two matching front seats are mandatory. Aftermarket seats are permitted; they must be fully upholstered. All factory controls (lights, signals, horn, window's, wipers, etc.) must be retained and be operative. The use of hand- throttle controls is prohibited.

24. **Nitrous Oxide/Propane:** Nitrous Oxide is prohibited. No other oxygen extenders are allowed. Propane is prohibited. All system components must be removed from the truck. No pressurized bottles.

25. **Rear-end:** Non-OEM rear-end housings are prohibited. It must have been an option on a one-ton or smaller pick up. Rear axle bolts must be covered by a cap or shield.

26. **Steering:** The vehicle must retain the full, original OEM steering gear. The vehicle must retain the original OEM power steering assistance, if it was so equipped. Additional stabilizers are permitted. Non-OEM power assist methods are prohibited.

27. **Street Equipment:** Complete headlight and taillight assemblies (all) are mandatory and must be operative. Complete OEM windshield and windows are mandatory.

28. **Windows:** must be operative per factory specifications: that is, they must open and close via OEM

electrical mechanical means.

29. **Suspension, Front:** The factory suspension configuration must be retained.

30. **Modifications to the front suspension** that would alter the original location (I.e. moving it forward or backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted.

31. **Air shocks are prohibited.** Final decision rest with the SPI tech department.

32. **Suspension, Rear:** An OEM- style suspension is mandatory. Traction bars and devices are permitted; they must be bolt-on only; welds are permitted for attachment to frame or axle housing. All OEM suspension mounting points must be retained and used. All rear suspensions must use at least one working shock absorber per wheel. Limiting straps prohibited. Rear suspension blocks are permitted with at least 1" of suspension compression from ride height. Air bag spring assistance is permitted; air bag compressors must be disconnected.

33. **Tires:** Tires must be DOT street tires. Cuts tires are prohibited. The use of dual rear wheels is prohibited.

34. **Transfer case:** Non-OEM transfer cases are prohibited. The transfer case must have been an option on a one-ton or smaller pickup truck.

35. **Transmission, Automatic:** Non-OEM transmissions are prohibited. All vehicles with engines running 4500 RPM or more using an automatic transmission must be equipped with a transmission shield meeting SFI Spec 4.1 and must be label accordingly. A blanket-type shield is permitted; it must be appropriately labeled as meeting SFI Spec 4.1 and it must extend from the rear of the block to the front of tail housing with a minimum of six-inch overlap where it is fastened. All non-blanket type shields must incorporate two (or one, per manufactures instructions) 3/4 inch by 1/8 inch straps that bolt to the shield on each side and pass under the transmission pan unless the transmission pan is labeled as meeting SFI Spec 4.1. All vehicles with engines running 4500 RPM or more and using automatic

transmissions must be equipped with flex plate meeting Fair Spec 29.1 and covered by a flex plate shield meeting SFI Spec 30.1.

36. Transmission, Manual: Non-OEM transmissions are prohibited. A clutch meeting minimum SFI Spec 1.1 or 1.2 is mandatory on all vehicles with engines running 4500 RPM or more. All manual transmissions must be clutch assistant. Sequential shifters are prohibited. All vehicles with engines running 4500 RPM or more equipped with a manual transmission must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which a Fair Spec flywheel shield is not available may use a properly attach SFI 4.1 OR 4.2 blanket that completely covers the bell housing, it must be attached to the block and extend rearward to the transmission with a minimum of six-inch overlap where it is fastened.

37. Turbocharger: The engine is limited to a single small frame (S300, GT4094, HX40 or smaller) turbocharger, the compressor inducer being 2.5" in diameter and will be measured using a 2.55" plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.5" diameter for at least 0.250" in front of the compressor wheel, and may be no farther than 0.175" from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200" at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. Ford 6.4L Power Stroke engines may utilize the factory compound turbo configuration in OEM stock form only (2.59") atmosphere inducer. Aftermarket exhaust manifolds are permitted with a flange dimension no larger than T4 (3.500 x 2.750"). The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

Turbocharger; 2.6" Smooth Bore: The vehicle is limited to a single 2.6" inducer bore turbocharger. The compressor wheel must protrude into the 2.6" bore no less than 1/8". The inlet will be measured using a 2.605" plug; the plug must not be able to enter the inducer bore. MWE grooves are prohibited; the

turbo inlet must be smooth bore. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Tech Officials.

38. **Water Injection:** A Water injection is prohibited. All system components must be removed from truck.

39. **Wheelbase:** The vehicle must retain the original factory wheelbase and track width.

40. **Front dual wheel:** spacers may be used only with accompanying positive-offset dually style wheels.

Front and rear wheels must have same wheel offset. Final decision resides with Tech Officials.

8000 Lbs. 2.6 DIESEL

1. Class weight is **8000 lbs.** with driver.
2. **Ballast:** Ballast is permitted. Front hanging weights may not extend more than 60 inches from the centerline of the front axle.
3. **Batteries:** The batteries must be securely mounted and concealed. They may not be located in the driver compartment.
4. **Body:** The body must be an OEM truck body, including the full bed floor. The body must retain full sheet metal. The hood must be closed and securely latched while the vehicle is hooked to the sled. The complete OEM firewall and complete OEM floor pan is mandatory. A factory install or commercial style aftermarket bed must be installed. No Flat beds. Must have complete bed floor.
5. **Brakes:** Front hydraulic brakes are mandatory.
6. **Chassis:** The OEM chassis is mandatory. The engine must be in the OEM location for the body used. The vehicle must retain the full OEM chassis. Wheel tubs, back-half conversions, tube chassis, etc, are prohibited.
7. **Credentials:** Drivers must have a current valid state driver's license.
8. **Driveline:** An OEM transmission and transfer case is mandatory. They must have been an option on a one ton or smaller pick up. Open driveline allowed with 3.0 smooth bore turbo only.
9. **Driver Restraint System:** The OEM restraint system or SFI approved 5-point harness is mandatory and must be worn.
10. **Drive Shaft Loops:** All trucks must have a minimum of 6" wide U- joint shields around for rear U-Joint. Constructed of at least quarter inch steel or 3/8-inch aluminum that will safely contain the U-joint and the end of the rear shaft. Any U-joint on the front axle that can be seen from the front or the side of the truck must be shielded the same as all other u-joints. All shielding must be securely mounted to the vehicle.

11. **Engine:** The engine block must have been available as a factory option on a one ton or smaller pickup truck. Cubic Inch limit of 460 CI. Water pumps may be factory or electric powered. Electric cooling fans are permitted. No billet aluminum or billet steel heads. NO DECK PLATE ENGINES PERMITTED.

12. **Exhaust:** All vehicles must be equipped to direct exhaust upward including stock exhaust systems. Hood stacks are permitted. Two 3/8-inch diameter bolts must be installed thru the exhaust pipe in a cross pattern within one inch of each other as close to the turbo as is practical.

13. **Fire Extinguisher System:** A fire extinguisher is permitted, it must be securely mounted. All vehicles must have at least a 2 1/2 LBs extinguisher with a working gauge mounted within drivers reach.

14. **Fuel:** The fuel must be pump #1/#2 diesel only. Soy/Bio diesel fuel is permitted. A fuel cell may be used in place of the factory fuel tank; fuel is not permitted in driver's compartment.

15. **Fuel Injection Pump:** A fuel injection pump is limited numbers specific (I.e. 6 cylinders pump on a 6 cylinder motor). Dual high pressure common rail fuel pumps or HPOPs are permitted. AG governors are permitted. No Sigma or 12 cylinder pumps allowed.

16. **Harmonic Balancer:** All engines turning 4500 RPM or higher must be equipped with a harmonic balancer or damper meeting SFI Spec 18.1.

17. **Hitch:** Hook point must be no closer than 44 inches of centerline of rear axle (will be measured where sled hook rests). Hitch height maximum of 26 inches for 4-wheel drive pickups and maximum 30" for 2-wheel drive with a minimum of a 3.0"x3.75" opening. Hitch point must be easily accessed. No "trick" type hitches permitted.

18. **Hitch** must be stationary in all directions. Reinforcements must not extend forward of the centerline of the rear axle and must remain inside of the frame rails. Hitch must not exceed a maximum of 25-degree angle from pivot point to hook point.

19. **Intercoolers:** Factory style or aftermarket intercoolers are allowed. Water to air intercoolers

allowed. Ice and water must be weighed at time of crossing the scales.

20. **Interior:** The vehicle must be equipped with at least one seat for the driver; it must be properly installed. Either the normal foot throttle or an approved spring-loaded hand throttle will be permitted in this class.

21. **Kill switches:** All trucks are required to have a kill switch located on the back of the truck, located near the hooking point. They must have an air guillotine of the spring-loaded type. If during competition the kill switch slides loose or falls out distance will be measured. Securing the kill switch is the driver's responsibility.

22. **Nitrous Oxide:** Nitrous oxide is prohibited. No other oxygen extenders are allowed.

23. **Propane is prohibited.** All system components must be removed from the truck.

24. **Rear-end:** Non-OEM rear-end housing are prohibited. The rear-end housing must have been for a one ton or smaller pick up. Rear axle bolts must be covered with a cap or shield.

25. **Safety Equipment:** All drivers must wear a helmet, long pants, not necessarily fire suit pants, leather shoes.

26. **Steering:** The vehicle may retain the original OEM steering gear or use of hydraulic steering. Additional stabilizers are permitted.

27. **Street Equipment:** Complete headlight and tail light assemblies (all) are mandatory. Complete OEM windshield is mandatory. Driver's window must be operative.

28. **Suspension, Front:** The factory suspension configuration must be retained. Modifications to the front suspension that would alter the original location (i.e. moving it forward and backward) is not permitted. Strut tower braces, lower tie bars, sway bars, and limit straps are permitted. Traction bars and devices are permitted. Air shocks are prohibited.

29. **Suspension, Rear:** Solid rear suspension permitted. Air bag spring assist permitted.

30. **Air bag compressors must be disconnected.**

31. **Tires:** The tires must be D.O.T street tires, with a tire limit size of 35 inches. Cut tires are prohibited.

32. **Transfer Case:** Non-OEM transfer cases are prohibited. It must have been an option on a one ton or smaller pickup truck.

33. **Transmission, Automatic:** Non-OEM transmissions are prohibited. The transmission must have been an option for a one ton or smaller pickup truck.

34. **Aftermarket torque converters,** valve bodies and internal components are permitted. Transmission brakes are prohibited. ANY Non-OEM floor mounted automatic shifter must be equipped with a spring-loaded positive reverse lockout device to prevent the shifter from accidentally being put into reverse. A functional neutral safety switch is mandatory. Vehicle must not start in gear. All transmission lines must be metallic or high pressure type hose.

All automatic transmissions must be equipped with a transmission shield meeting Fair Spec 4.1 and must be labeled accordingly. A blanket type shield must be used and appropriately labeled as meeting Fair Spec 4.1 and it must extend from the rear of the engine block to the rear of the tail housing with a minimum of six inch overlap where it is fastened. All vehicles using an automatic transmission must be equipped with a flex plate meeting SFI Sec 29.1

35. **Transmission, Manual:** Non-OEM transmissions are prohibited. The transmission must have been an option on a one ton or smaller truck. Aftermarket internal components are permitted. A clutch meeting minimum SFI Sec 1.1 or 2.1 is mandatory on all engines. All manual transmissions must be clutch assisted. Sequential shifters are prohibited. All transmissions must have a fly wheel shield labeled as meeting minimum SFI Spec 6.3 or greater. Applications for which a SFI Spec fly wheel shields is not available may use properly attached SFI 4.1 or 4.2 blankets that completely covers the bell housing. It must be attached to the rear of the engine block and extend rearward to the transmissions with a minimum of six- inch overlap where it is fastened. All transmissions or clutch pedals will have a safety interlock switch so that the vehicle will not start in gear.

36. **Turbocharger; 2.6" Non-Protrusion:** The engine is limited to a single turbocharger, the compressor inducer being 2.6" in diameter and will be measured using a 2.65" plug. Bushings are permitted but must be non-removable, the bushing must maintain a 2.6" diameter for at least 0.250" in front of the compressor wheel, and may be no farther than 0.175" from the face of the compressor wheel at any point. A map width enhancement (MWE) groove is allowed in the original location with a maximum width no greater than 0.200" at any point, any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicles driver will be responsible for making compressor wheel accessible for SPI tech personnel to measure bore and able to inspect compressor wheel.

37. **Turbocharger; 2.6" Protrusion:** The vehicle is limited to a single 2.6" inducer bore turbocharger. The compressor wheel must protrude into the 2.6" bore no less than 1/8". The inlet will be measured using a 2.650" plug, the plug must not be able to enter the inducer bore. A map width enhancement (MWE) groove is allowed with a maximum width no greater than 0.200" at any point, and an overall diameter any greater than 3.700" at any point. Any provision allowing air into the wheel other than via the bore and MWE groove is prohibited. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

38. **Turbocharger; 3.0" Smooth Bore:** The vehicle is limited to a single 3.0" inducer bore turbocharger. The compressor wheel must protrude into the 3.0" bore no less than 1/8". The inlet will be measured using a 3.005" plug, the plug must not be able to enter the inducer bore. MWE grooves are prohibited, the turbo inlet must be smooth bore. The vehicle's driver will be responsible for making the compressor wheel/bore accessible for inspection by the Fair Tech Officials.

39. **Water Injection:** Water injection is prohibited. All system components must be removed from truck.

40. **Wheelbase:** The vehicle must retain the original factory wheel base and track width. Cab and chassis trucks may not exceed 172 inches, center to center of axles.

41. **Front dual wheel spacers** may be used only with accompanying positive-offset dually style wheels.

PROTEST PROCEDURE

1. All protests must be made in writing and submitted and signed within five (5) minutes of class being protested has completed. Protest must clearly define three items, (A) Who is protested, (B) What they are protested for, limited to one (1) item per protest, and (C) who is protesting.
2. All protest fees will be in cash. If protested vehicle is found legal, then fee will be forfeited to person found legal. If vehicle is illegal, then vehicle is disqualified with a loss of purse & points and fee is returned to protester.
3. Fee for protest is as follows fuel, Visual, Turbo, and Performance Enhancements. Any competitor knowingly competing with performance enhancing equipment or illegal fuels and verified by a Head Tech Official at the event will be disqualified for a period of one year and ten days and including actions discovered by protests, at all associated Fair events. Suspensions will include driver and vehicle.
4. The officials and the protested are the only people allowed near the vehicle during protest.
5. Anyone causing disruption during a protest will be disqualified.

Please contact the Fair Office with any question at 607-263-5289.
